PUBLIC COMMENT

Item 1 – Receive communications from the public on items not listed on the posted agenda.

Director Castille stated that he wanted to address the comments made by Noel Gonsalvez, District resident and candidate in the November 2022 Director election, during the November regular meeting. Mr. Gonsalvez's comments on November 16 were regarding Director Castille's current involvement in several lawsuits and whether Director Castille has actual business expertise. Director Castille explained he has several years of business experience and has conducted thousands of transactions. Director Castille said that he has only been involved in lawsuits to collect money and has never lost a lawsuit. Director Castille stated he has managed a landscaping company, a construction company, and an oil company. Director Castille also mentioned that he has served on homeowner association boards since 2008, was the District's landscaper for three years, and holds a CMCA certificate for homeowner association management. Director Castille asked why Mr. Gonsalvez would try to pull rank on a person with more experience. Director Castille claimed Mr. Gonsalvez's actions were baffling and arrogant.

Mr. Gonsalvez asked Director Castille about various contracts his landscaping company had with other HOA Boards. Mr. Gonsalvez next asked why the District is so important to Director Castille, saying "If you're so successful, why are you concerned with a piddly-ass, chickenshit neighborhood like Tanglewood Forest?".
