As a silent member, you are not required to attend monthly meetings or attend and help with SFDA functions and will not have a vote in issues as an active member would. As a silent member, you will be able to utilize the arena with the understanding that any damage done by you or your group will be your responsibility. As a silent member, you will still be representing the Springdale Frontier Days Association and will be asked to act accordingly.

Release Hold Harmless and Indemnity Agreement

I hereby agree that I will abide by all rules of the Springdale Frontier Days Association. Further, I hereby release and hold harmless and indemnify the Springdale Frontier Days Association, volunteers of the association and any and all persons in any way connected with Springdale Frontier Days Association from losses, damages, or injury to myself, my property, and any minor person who accompanies me, resulting from participation in using this arena and grounds. I understand that any activity involving horses or any animals creates numerous risks of injury that are my sole responsibility. I knowingly assume these risks as a member of this association. I give any emergency personnel, ambulance, hospital, physicians or medical staff permission to administer necessary treatment for injuries incurred while participating at this arena with this association and all cost will be covered by me personally or my insurance. I hereby swear to the above release and unconditionally hold harmless the Springdale Frontier Days Association and any/all persons anyway connected to it.
