1/28/2025 PRESS RELEASE

Have you ever watched a local government meeting and thought, "I could do better in my sleep"? Well, here's your chance to prove it!

The Adams County Republican Committee is looking for proud, dedicated, and maybe just a little fed-up Republicans to step up and run for local public office. From School Boards to Borough Councils, and even Tax Collectors (seriously, who doesn't want to be the hero who sends out tax bills?), there's a spot waiting for you!

No experience? No problem! If you've ever balanced a checkbook, negotiated bedtime with a toddler, or survived a family Thanksgiving debate, you're more than qualified to make a difference.

💡 Why run? 💡

- Shape the future of your community.
- Defend conservative values at the local level.
- Finally have a legitimate excuse to ignore that group chat.

👛 Positions Available:

- School Board (where you can stop the nonsense and protect our kids).
- Township Supervisor (channel your inner boss).
- Judge of Elections (keep the system honest).
- And more! Full details www.AdamsGOP.org

The time to act is now—because if you don't step up, someone else will. And let's face it, you've seen how that turns out.

🏃 Run. Lead. Make a Difference.

Contact us today to learn how to get on the ballot! Don't wait for change—be the change (and maybe even get a little fame along the way).

P.S. No promises on fame, but you will earn the respect of your community and maybe even your mother-in-law.

We are here to help! The ACRC will host two "Running for Public Office" sessions:

Thursday, January 30th at 6:30 and Thursday, February 13th at 6:30
