

GOOD NEWS!!

**In two years, Adams County GAINED 932 Republican voters!
Democrats LOST 509 voters!
DETAILS BELOW**

Election (Primary) Statistics are included below, hard copies were also distributed at Thursday's BOD meeting. While it's not as labor intensive as the mini-autopsy that I did for last year's General Election [<here>](#), the below gives the results of elections and the turnout for Adams County. With that said, let's compare Apples to Apples.

To compare Apples to Apples, you need to use the 2019 and 2023 Municipal Primaries. Republican turnout was NOT down for this Municipal Primary, it was UP by 3%, and so is Republican Voter Registration by 3,664. In 2019, 7,302 Republicans participated whereas 9,246 Republicans participated this year, an increase of 1,944 on our side of the aisle.

Advanced Counts on Republican Voter Frequency in Adams County as of this date:

5,395 voted in 0 of 4 elections
7,642 voted in 1 of 4 elections
9,757 voted in 2 of 4 elections
8,404 voted in 3 of 4 elections
9,177 voted in 4 of 4 elections

While the Republicans had 22.73% (9,246 voters) and Democrats had 26.03% (4,896 voters) turnout this Primary, the percentage tilted because the Republicans have MORE (higher denominator) in the pool while the Democrats' pool was drained (lower denominator). Since 2019, Republicans have gained 1,944 voters and the Democrats decreased by 793. Adding new active voters with a high number of inactive voters remaining in the pool skews the percentage, even after voter rolls were cleaned - but the raw numbers show participation was higher this primary. These numbers (trending upward) indicate that this November's turnout will beat those of 2019, WTG on the GOTV efforts!

In just two years Republicans gained 932 voters while Democrats lost 509 – that's good news for Adams County. The success of the ACRC would not be possible without you!

KEEP RED PILLING!

2021, we all remember the Municipal Primary, there was a "SURGE" in participation Nationwide, not just in Adams County. There were three (3) Constitutional Amendments and one (1) Referendum on the PA ballot, it was on the heels of the 2020 Presidential Election, Act 77 disaster, COVID Lockdowns & Mandates, Public Education being weaponized as indoctrination centers, Nationwide Riots (Antifa/BLM), J6, etc. One of the BIG Constitutional Amendments was stripping the then-Governor Wolf of his overreaching powers. There was an onslaught of attacks coming at all angles on Americans, our Freedom, our Children, and our way of life which brought voters out as seen in the attached statistics.

Elections aren't won by Counties, they're won by the votes in each County – in November we need to help our Republican friends stuck in Blue Counties by bringing more voters to the polls in Adams County to win all four statewide Judicial spots.
