

Camp Staff & Safety

We are committed to providing a safe, engaging, and supportive environment for all campers. Here's how we ensure that both students and parents feel confident and secure during their time at Winter STEAM Lab:

Camp Staff Qualifications

Our camp staff is carefully selected for their experience and passion for STEAM education. All of our instructors and assistants have:

- **Background Checks:** All staff members undergo thorough background checks to ensure the safety of your child.
- **Certified in CPR & First Aid:** Each staff member is trained in emergency response, first aid, and CPR.
- **Experience in STEAM Education:** Our staff includes certified teachers and other professionals with expertise in STEM.
- **Camp Safety Training:** All staff members are trained in camp safety protocols, including child behavior management, emergency response, and health monitoring.

Staff-to-Camper Ratio

We maintain an excellent **staff-to-camper ratio** to ensure personalized attention and effective supervision. This allows us to provide a safe and interactive experience for each child.

Safety Measures

- **Emergency Procedures:** We have well-established emergency procedures in place, including evacuation plans and safety drills, to ensure your child's safety in any situation.
- **First Aid Kits:** Fully stocked first aid kits are available.. In the event of any minor injuries, a staff member trained in first aid will administer care and notify you if

necessary.

- **Outdoor Play Safety:** All outdoor activities are supervised, with age-appropriate equipment and safety precautions in place.
- **Allergy Awareness & Medical Needs:** If your child has specific medical or allergy needs, please ensure these are clearly indicated on the medical form, and we will take extra care in managing them. Staff are trained to handle allergies and administer medication if necessary, with parental permission.

Security Measures

- **Drop-Off & Pick-Up Protocol:** Only authorized individuals listed on your child's registration form will be allowed to pick up your child. We require a photo ID for verification.
