

# 8<sup>th</sup> International Leh Symposium

October 23 – 27, 2026

*Therapeutic targets and molecular mechanisms for  
pulmonary diseases in hypoxia*

**Virtual talks by Nobel Laureates on Oct 23, 2026**

**MAY-BRITT MOSER**  
Award 2014

Centre for Neural Computation,  
Kavli Institute for Systems Neuroscience,  
NTNU, Norway

**“For Discovery of cells that  
constitute a positioning  
system in the brain.”**

**GREGG L. SEMENZA**  
Award 2019

Institute for Cell Engineering,  
Johns Hopkins University School  
of Medicine, USA

**“For the Discovery of how cells  
sense and adapt to the oxygen  
availability”.**

Fortune Park Moksha Resort and Hotel, McLeodganj,  
Dharamshala, Himachal Pradesh, India
