

2021 Environmental Site Assessment Field School
Participant Registration Form

Please fill out and return by email to: allan@keltechenviron.com

Participant Information

Name: _____

Organization: _____

Email Address: _____

Mobile Phone Number: _____

How many years of environmental related experience do you have? _____

Are you registering for the full-length course? _____

An introductory welcome email with specific course details will be sent to you following registration. However, we will mention at this time that you will be asked to bring your personal protective equipment including hard hat, safety glasses, hearing protection, high-visibility vest and CSA approved steel toe & steel shank work boots for the field work portion of the week. Also, because we will be outdoors you should ensure that you have sufficient weather appropriate clothing available.

Organization Information

This section is for billing purposes:

Organization Representative: _____
