

SPLAAASH

SPLAAASH is a small and elegant desk, specially designed for today's lifestyle changes, such as working from home.

Its light dimensions allow it to find its place in current habitats. An invitation to homeworkers to dive into their work.

its pure lines, its implacable orthogonal, its assertive asymmetry are directly inherited from the origins of the Scandinavian functionalist movements of the early twentieth century.

Presented prototype :
 solid recycled concrete, on weight reduction hemp fibers core
 table top and footrest in massive oak.
 Removable elements.

Dimensions :
 150 x 50, H74 cm
 Weight : 39 kg
