Section 2: Pricing Guidelines

- **REASONABLE pricing-25-40% of the price you paid will INCREASE your sell through!**
- **Excellent presentation-pressed, button, zippers, snaps all closed, etc.**

Section 3: Entering Items (Consignor Item Entry Screen) and Preparing Items.

4. **Category:** Select the appropriate category, such as Accessories-Girl for a bow.
5. **Size: Please list the size according to the garment tag.** However, tags labeled with S, M, L, XL will not be accepted unless it is women’s maternity items-please put a corresponding number size on your tag, so we will place the garment correctly on the floor. For example, a toddler girl size "S" is much different than a big girl size "S". The same applies for European sizing, if it is 86, 90 etc.—please list the corresponding U.S. size.
6. **Description:**
7. **Brand name should be typed on first line** then a brief description of the garment. For example, Beaux et Belles Smocked Strawberry Capri Set. **This will help us locate the item if the tag is separated from the garment.** Also, if it is part of a set, please list this on the tag. 8. **Discount:** Check the box if you **DO** want the item discounted 50% on Saturday.
9. **Donate:** Check the box if you **DO** want the item donated following the sale. This means you are **NOT** picking up your items. **PLEASE NOTE: For discounts and donation, we will go by what is on the tag, so be sure you select what you want, no exceptions. DO NOT HIGHLIGHT ANY portion of the tag.**

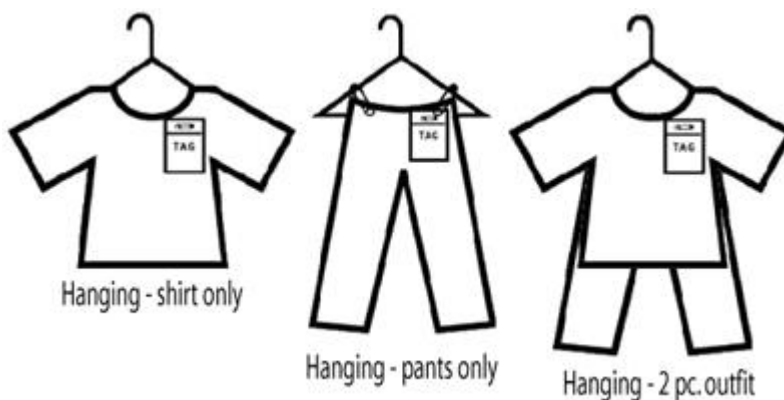

Peachtree Kids Market

10. **Price-** We can't sell it if it's not priced! Price your items at approximately 25-40% of original retail price depending on condition, size, brand, etc. A good rule of thumb is to price the item at what you would pay for it at a consignment sale.
11. ***Please remember that there is an emotional price and a resale price. Price item at the resale price if you want it to sell.***
12. **Print tags** on white or cream card stock. There should be 6 to a page.
13. Pin tags to garment or with tagging guns. Please follow diagram below.
