## FEBRUARY PROGRAM

### NATIVE GRASSES OF THE HILL COUNTRY

**Deanna Pfeffer**

Wildlife Biologist with Texas Parks and Wildlife

Learn about the fundamentals of our native grasses including morphology, livestock and wildlife value and identification tips.

## PRESIDENT'S MESSAGE

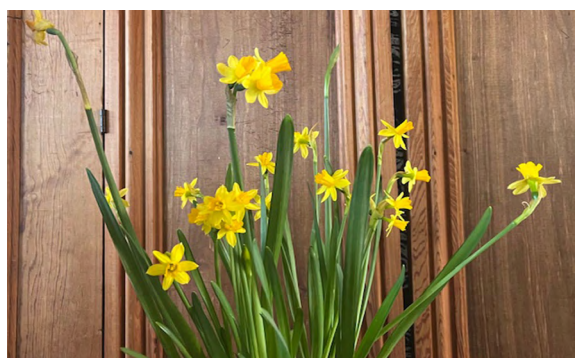

As we've had some warmer days, my thoughts have turned toward spring. Did you know that Valentine's Day is the traditional start of spring gardening in our area? I didn't! But here's a few tips I have picked up, I am thinking of the garden days ahead:

\*Prune roses after Valentines

\*Leaves on an onion plant correspond to rings on the bulb

\*It is time to clean and sharpen garden tools

\*On a nice day, turn your compost pile rather than garden soil. Working garden soil when the soil is cold can create compacted clots.

My Christmas cactus and amaryllis are blooming beautifully now!

A bit late.

And I couldn't resist these baby daffodils.  
Happy (almost) Spring! Cindy

### Resignations

Pam Curtis  
Bridget Symm

The February garden is bare, waiting for planting!

### Discovery Garden (Cindy Janke)

Around twenty ladies who work in the Discovery Garden of the Hunt School met on February 3rd to discuss plans for the spring garden. We are delighted to welcome new members to our teams - Linda Pipkin, Christy Carter, Pam Halter, and Kathy Madsen. They were assigned to a color team and are already helping with preparation of the garden beds.

Ladies enjoyed a soup and salad luncheon at Cindy Janke's family home.

Plantings have been selected and we discussed ideas for better utilization of our greenhouse and compost bins.

Our first meeting with the children will be February 24. Anyone wishing to work in the Discovery Garden should contact Megan Stolley or CindyJanke

### Presidents Garden (Laura Greenwood)

Calling all former Hunt Garden club Presidents!  
Getting ready for the Spring, there will be a President's Garden clean-up day on Monday, February 16th (actually the President's Day holiday) at 9:30 am. Bring your gloves and tools to weed and prune the shrubs. We will assess the needs for replacement of decorative rocks. Laura Greenwood will bring trash bags.

### Treasurer (Diane DeKerlegand)

In January, we received a flood recovery donation of \$150 from the Houston Federation of Garden Clubs.

As approved by the membership at the January HGC General Membership meeting, we have added a new line item to the budget for the Hunt School Hydroponics Project. This allocation will be \$300 annually.

### Announcement from Cindy!

The SCR convention will be held In San Antonio on April 28-29 at the Menger Hotel. Can you please check your calendars and let me know if you can attend with me? Sounds like there are some fun activities planned.

## SCR CONVENTION

Our garden club is part of the **National Garden Club** with over 5,000 clubs across the country.

We are further broken down into **regions** -

**SOUTH CENTRAL REGION - SCR** (Texas, Oklahoma, Arkansas, New Mexico)

**STATE - TX Garden Club - TGC**

**DISTRICTS - we are District VII West Zone**

Each of these groups hold yearly meetings to share information, learn from each other, and give awards.

In April of 2026 the **South Central Region** will host their annual convention in San Antonio on

**April 28-29**

Our district will be hosting and they want to make it fun! Consider joining us for all or part of the convention to see what other clubs are doing and make new friends.
