

## **Sermon Notes April 16, 2023 – “@JesusFollower”**

**Sermon:** “@DoubtingThomas”

**Scriptures:** John 20:19-25; John 20:26-29

### **Focus Verses:**

*Thomas said, “That’s hard to believe. I will have to see the nail holes in his hands, put my finger where the nails were, and put my hand into his side. Only then will I believe it.”* John 20:25 ERV

*“Put your finger here; see my hands. Reach out your hand and put it into my side. Stop doubting and believe.”* John 20:27 NIV

### **THOUGHTS TO PONDER:**

- 1) Do you believe everything you hear? Why or Why Not?
- 2) Thomas was a pessimist (John 11:16), a skeptic (John 14:5), and a doubter (John 20:25). What changed his mind?
- 3) How does Thomas’ experience following Jesus connect with your faith journey?
- 4) What are the pros and cons of social media?
- 5) If Thomas had a Facebook page, what would he put on it?
  - What about other platforms (Instagram, Twitter, etc.) – would it be the same or different? Why or Why Not?
  - If Thomas didn’t know how to use social media, how would he tell people his story?
