From The East

Happy Holidays Brothers. Well we are off and running. I first want to thank all of you for allowing me to be YOUR Worshipful Master. I am excited for this year and all the things we hope to accomplish as a lodge and as a brotherhood. We have successfully gotten back to the children's and adults Christmas parties and WOW were they a success. Thanks to all who were in attendance and made these events successful. We at Alpha are ready to START MAKING MASONS and have several candidates lined up and ready. We would love to see all of you in attendance as we strengthen our Fraternity. Lastly, you may see a few children in the lodge common area. This is the start of building strong relationships between our brothers and their families. If not having a place for your school aged child is preventing you from joining us, we have hopefully found a solution. I am looking to build our relationships and make our families a priority. Be on the lookout for upcoming family involvement. This is YOUR lodge so I welcome all suggestions and feedback. Again Happy Holidays from my family to yours. Be safe and I look forward to seeing you in lodge.

WM Brian M. Holley.

From The Secretary

We are at the start of a new year, if you have not paid your dues, you have been suspended for non-payment of dues. Dues notices were sent out by the Grand Lodge, if you never received a notice, your contact information in Grandview is incorrect.

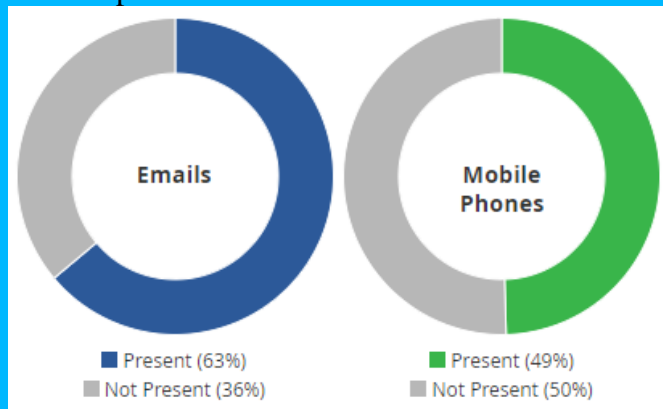

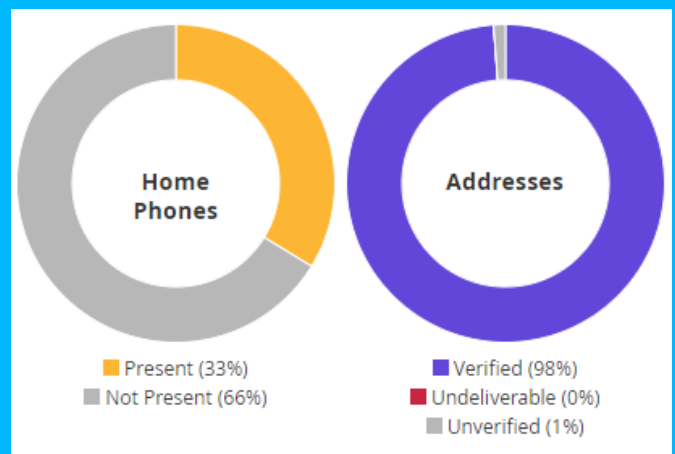

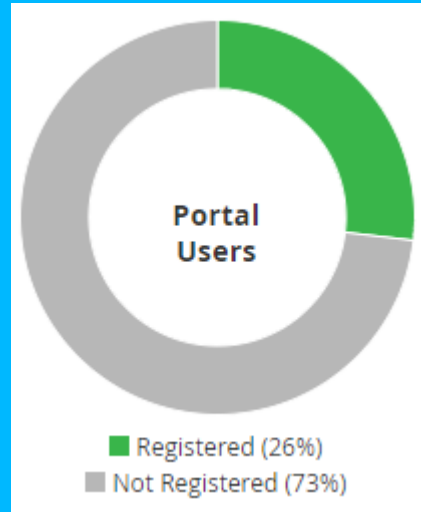

Please verify the information in your record that it is correct and updated on the Grandview site. You can access Grandview through freemason.com and click on the member portal. You will need your member number, it is found on your dues card, or you can contact the secretary.

We are using this information to reach out to our members to update you on upcoming lodge meetings and events. It is very hard to contact you when we don't have the correct information about you. We do care about our brethren especially when we don't see you in the lodge and at our events for some time. If your Lodge can't find you, how do we reach out to you?

Last, you can also update your contact information by contacting our Lodge secretary at (937) 751-5568. We ask that you provide the following information:

- Your name
- Current phone number
- Email address (if you have one)

Below are graphs of the brothers' information on Grandview. It looks as if all the addresses are good, but I will get returned mail sent back from some of the brethren because the address is incorrect, and I have no phone number to contact them.
