**Custom Industrial Manufacturing Specialists**

# Experience you can trust

\*We started in business in 1979\*

The staffs of Pelham Machine & Tool and Pelham Industrial Manufacturing have numerous years of experience in manufacturing special handling equipment. From large steel mill equipment and large pipe handling equipment to smaller specialty designed machines. Our team can provide you with products and services you can count on.

# MANUFACTURING FACILITIES

- State of art manufacturing facility
- Over 90,000 square feet that offers a complete job shop.
- The ability to make short production runs with full CNC capabilities
- Computer operated CNC machine center for smaller jobs
- Large CNC lathes and horizontal boring bars

# CUSTOM MANUFACTURING & FABRICATION

- General Machine Work
- All types of Industrial Fabrication
- Overhead Cranes
- Special Handling Equipment

# Experience in Providing

Cranes

Runways

# 7.5 TON GANTRY PIT CRANE

# Special Travel Platform for 210-Ton Rig

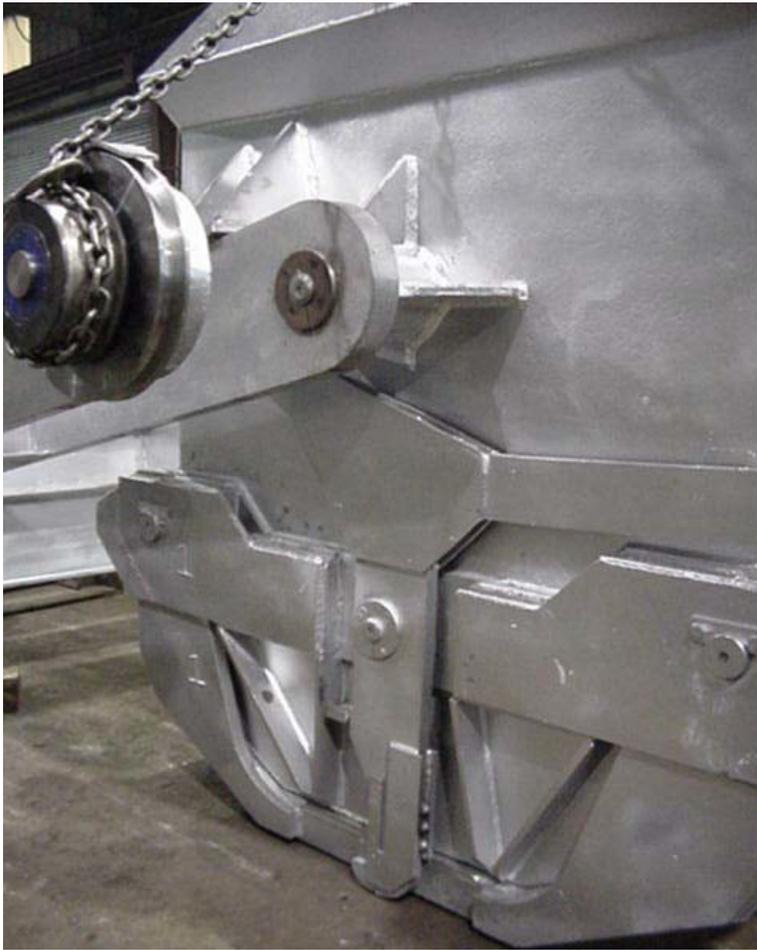

# Rail Car Positioner

# Steel Mill Specialty Equipment

# Skip Hoists & Charge Bucket

# Partial Equipment List

## CNC Equipment

- 7" Gidding & Lewis Horizontal Floor Bar 28'Horizontal-12'Vertical
- Giddings&Lewis 25" Swing 72" Center
- (2)LeBlond CNC 34" Swing X 140" Center
- Burgmaster CNC-Hole Drilling & Milling Machine
- SuperMax Max8 Vertical Milling Center 78"X29"Y, 27 ½"Z
- Cincinnati CNC Mill 50"X25"X17"
- Hwacheon Lathe Swing 28X60
- 5" Gidding & Lewis CNC Horizontal Bar 120X72X72

# Machining for Rail Car Positioner

# POSITIONER 2009

Machining & Fabrication

# Partial List

## Horizontal Mills

- Gidding & Lewis Horizontal Floor Bar 7" Spindle 10' Vertical 45' Horizontal
- Gidding & Lewis Table Bar 7" Spindle 9" Vertical 14' Horizontal w/ Digital Read-Out
- Gidding & Lewis Horizontal Floor Bar 7" Spindle 9" Vertical 45' Horizontal
- Bullard Horizontal Bar #5 72" X 72" X 8' Long Bed
- Gidding & Lewis Horizontal Floor Bar 7" Spindle 10' Vertical 20' Horizontal w/ Digital Read-Out
- 4" Plauert Wetzel Table Bar 6" Vertical, 80"
- Hwacheon Lathe 28 Swing X 60
- 5" Gidding & Lewis CNC Horizontal Bar 120 X 72 X 72
- Lagun Vertical/Horizontal w/ Digital Read-Out Capacity 20" X 36"

# Machining

# Additional Equipment

## Partial List -Lathes

- LeBlond Heavy Duty - 31" swing 300"
- LeBlond Heavy Duty - 31" swing 192"
- LeBlond - 44" swing 144" w/Hydraulic Tracer
- LeBlond - 46" swing 384"
- Lodge & Shipley 30" Swing 192" Center Threading

## Partial List -Vertical Boring Mills

- 30 Ft Betts Vertical Boring Mill w/ Retractable Side 8' Under Rail
- 144" Betts VBM, 10' Under Rail
- 96" King Vertical Boring Mill Swing 108'
- 62" King Vertical Boring Mill
- G&L Machine up to 22 Feet OD

# Machining Photos

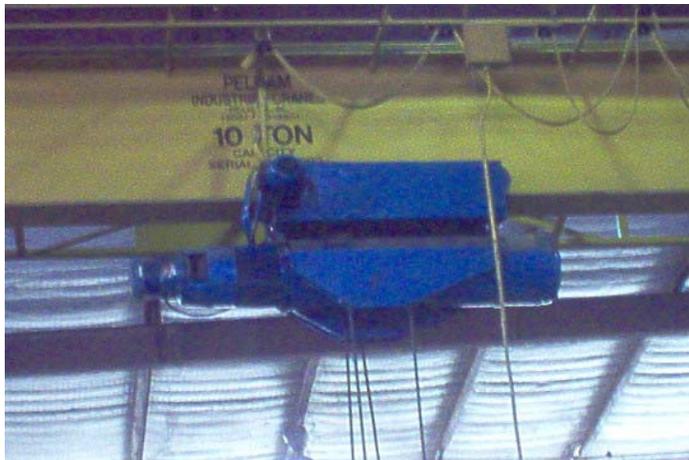

# Gear Cutting Equipment

- 30" and 60" Gould & Eberhart

# Cranes

16 Shop Cranes from 3-Ton underhung to 50-Ton top running double girder

# Fabrications
