97 Years of the New York Football Giants

NEW YORK, New York – The New York Football Giants are celebrating 97 years as a part of the National Football League. This organization is excited to be hosting a celebration on Sunday, Sept. 25 2022 prior to the division rivalry game. Owner, John Mara and his family along with 2-time Giants Super Bowl winner, Eli Manning will be in the parking lot, tailgating and celebrating with the fans. Later in the evening, a black-tie gala will be held at the Plaza Hotel.

10 special super-fans will be selected at the tailgate and invited to attend the celebration. The Giants organization wants to show its appreciation for the dedicated fans that have supported the team throughout its 97 years.

In addition to the celebration, players of the current Giants team have donated items such as signed jerseys, real helmets and more to be auctioned off to attendees of the gala event. The money raised will be donated to Tackle Kids Cancer, a charity Eli Manning has worked closely with since 2015.

“I could not be more excited to share this celebration with some of our amazing fans. Everyone involved in our organization is so thrilled to be acknowledging this great milestone as well as doing our part to help our community. Eli has always brought his work with Tackle Kids Cancer into the Giants world and we cannot wait to help. We are hoping for a big win this Sunday so we can celebrate 97 years right!” Said John Mara, New York Giants owner and president.

Tackle Kids Cancer is a philanthropic initiative to raise money for pediatric cancer research and patient care programs occurring at the Joseph M. Sanzari Children's Hospital and K. Hovnanian Children's Hospital. Donations made to Tackle Kids Cancer directly benefit the essential clinical care, unique support services and groundbreaking cancer research needed to find a cure. Since its launch in September 2015, Tackle Kids Cancer has raised over \$20 million in funds.

The New York Giants are a professional American football team based in the New York metropolitan area. The Giants compete in the National Football League as a member club of the league's National Football Conference East division. The New York Giants joined the National Football League in 1925 and have won eight NFL championship titles.
