Thank you for your order. Please follow the instructions below.

Please send all requested files to rarebulldogs@gmail.com

We will need to be in touch with you for your input daily until your design is done. Please **provide a good phone number and e-mail** so we may contact you easily.

How to send requested files:

Each dog, page, or request needs to be in a **SEPARATE E-Mail** with the Subject line filled in with dogs name, page, etc.

Please do not send on Face book, Text, etc. only the e-mail listed above.

Please do not send photos of more than one dog or puppy in each e-mail, this is very confusing and time consuming for us.

Any questions call Alesia @ 850.688.9925 within the hours listed above.
