

# Legendary Marina at Blue Water Cay, Nassau Bahamas

Project Owner - Legendary Marina - 4471 Legendary Dr, Destin, Florida 32541

Congratulations to our client Legendary Marina Resort Blue Water Cay for their new venture, Blue Water Cay, a multi-million dollar marina in Nassau. Earlier this month (June 2023), Legendary signed a multi-million dollar heads of agreement in Southeastern New Providence at the Office of the Prime Minister, and is expected to provide hundreds of jobs for Bahamians.

## Construction Phases

- ⇒ Phase 1
- ⇒ Phase 2
- ⇒ Full Marina Program
- ⇒ Masterplan

VP of Marina Development Rodney Chamberlain, P.E., said, "We signed the Heads of Agreement last week with the Bahamian government . . . this is a huge milestone and we couldn't have gotten here without the help of Real Image Solutions!" Land clearing for Blue Water Cay has begun with ground breaking soon to follow and a projected construction time of 18-20 months. An anchor feature of the BWC development is the first-of-its-kind dry storage marina in the Bahamas designed to withstand Category 5 hurricane wind speeds.
