	September Eleventh	this is the second septemeber 11th	there is another one of these books the first one tied to the first 911 and I know because they got in MY FILES erased the book and also erased it off the internet. It was there when I first talked about it. So why would it magically disappear out of my own files? Cause they realized I made the connection and they needed to get rid of the evidence. Little do they know. ABBA STILL SEES WHAT THEY'RE DOING
