Kindness In Doing Service Connecting And Respecting Everyone

KIDS CARE is a 501(c)(3) seeded and growing in Marietta, GA. Though we started from one child's desire to do nice things for people, we now engage a full community of youth, families & individuals who want to help their community. When Jaida Burke was just 8 years old, she simply wanted to get a group of people together to do nice things for other people. So we did. In 2019, we became a nonprofit and we continue to create kindness for others.

OUR MISSION

Create youth community service experiences, encourage Kindness, and promote environmental stewardship.

OUR NEEDS

We're seeking sponsors to help us empower youth through the community service and giving opportunities that we create. Your support would help us guide young people to lead with compassion and purpose - while making a real impact locally.

KIDS CARE would like to turn your generosity into ripples of Kindness that spread throughout our community. Together we can lead by example, showing that Kindness & Compassion are priorities we live by.

KIDS CARE creates and expresses LOVE, KINDNESS, COMPASSION, GENEROSITY, FRIENDSHIP & ALTRUISM for our local community and one another.

Please consider supporting our mission!
