49TH ST SOUTH BUSINESS ASSOCIATION
NEWSLETTER

Message from the President

AS THE YEAR WINDS DOWN, I WOULD LIKE TO WISH EVERYONE A HAPPY AND PROSPEROUS 2019.

I am thankful for the perseverance of our local businesses and our core group of supporters and members. We are closing out 2018 and headed into 2019 with a new look, new members and renewed energy!

I know most people say you shouldn't look back, however, back is where we get our start. In November of 2008 a corporation was formed for SO49. Also, 10 years ago talks and plans were going on to give the Tangerine Greenway a makeover.

10 years ago, there was a much bigger divide on 49th Street with little interaction between the municipalities and Police Departments of Gulfport and St. Petersburg.

2019 will prove to be the year of the 49th Street entry way into Gulfport. We are blessed to have the renovation of the Tangerine Greenway into the Trolley Market Square.

This area will be utilized for events to bring people to the area. Keeping this in mind, let's be good stewards on both sides of 49th Street. Let's keep our properties up to date and inviting.

PRESIDENT'S MESSAGE

I am thankful for the perseverance of our local businesses and our core group of supporters and members. We are closing out 2018 and headed into 2019 with a new look, new members and renewed energy!

I know most people say you shouldn't look back, however, back is where we get our start. In November of 2008 a corporation was formed for SO49. Also, 10 years ago talks and plans were going on to give the Tangerine Greenway a makeover.

The business association can assist with many things but cannot do everything.

We can assist with holding events to bring in customers, allowing businesses to post on the Facebook pages, getting the word out through newsletters /website, assisting in getting zoning information for you, assisting with Grand Openings/Special Events, etc.

In addition to asking what SO49 can do for you, ask what you can do for SO49. We understand everyone is busy, but keep in mind that:

**Together
Everyone
Achieves
More!**

Our first event will be held in February. We hope to see you there as a part of it!! I would like to close with this -

Success means doing the best we can with what we have. Success is the doing, not the getting; in the trying, not the triumph. Success is a personal standard, reaching for the highest that is in us, becoming all that we can be. - Zig Ziglar

Best wishes for 2019!
Jeri Reed

Jeri Reed, President
49th Street South
Business Association

PROJECTS IN PLANNING STAGE

Saturday Morning Markets:

Our goal would be to have Saturday Morning markets at least 2 times a week and with the cost being just \$10.00 per day you cannot go wrong.

Movies in the park:

Our goal would be to try and do movies in the park at least 2 times a month a free admission project we want to gear this to a Family event.

Christmas Card Lane:

We will in the future be reaching out to the artists of the community to paint their version of a Christmas card on a 4 x 8 x 3/4 sheet of plywood that will be displayed at the park as part of our Christmas display for the community.

Light a Tree:

There will be at least 8 planters with palm trees planted and as part of the Christmas display we want to light the trees with festive colored lights.

Local Businesses can adopt a palm tree; we will purchase commercial LED lights for each tree and place a sign on what business sponsored that tree. The trees will be powered by solar energy provided by Brevard Solar.

NEW MEMBER WELCOME

NEW SO49 MEMBERS

We are growing: We welcome **Airbrush Art USA & Signs** located at 1807 49th Street South, Gulfport, **The Pavilion** located at 559 49th Street South St. Pete, and **Hubbard's Marina** located at 4901 Tangerine Ave South, Gulfport.

With the growing membership we gain insight to what the community needs and wants. We welcome everyone and you do not have to be located in our 49th street corridor.

Take the time to fill out the application and mail it in or better yet call Phil at 727-439-0164 and he will drop by, pick it up and tell you about the wonderful things going on.

TROLLEY MARKET SQUARE

GRAND OPENING FEBRUARY 23RD 2019

Grand Opening of Trolley Market Square is drawing near 02/23/2019 is the opening and plans are being made now mark your calendar. To date we already have lined up live music, Food, Car Show and so much more.

We have dignitaries coming in from around the country that will help us open this wonderful venue. South 49th Street Business Association will be serving a free hot dot to the first 1600 that attend.

Already we have 25 booths for the Market area and expect that to grow by the dedication date. I am planning many special items for the Grand opening so you do not want to miss it (my plans are a secret).

For 2 months we have been taking picture almost every day, and you can view them on our face book page www.facebook.com/SO49 . Make sure you take the time to like our page send us a comment or 2, tell me what you want to see in our news letter.

We have a coupon page and we welcome your coupons. We are a 10 year young organization and we are growing. We have many events for 2019 that are in the planning stage, many are a focus on family orientated activities.

We are bringing back the Music Festival in 2019 so watch for that date and Saturday morning Markets and maybe Movies in the park. Our membership is open to all and you are welcome to join contact us today. Our members get free booth spaces at 2 events during the year, included in our monthly news letter and so much more.

ANNUAL CITIZEN'S POLICE ACADEMY

BY: OFFICER ZACK MILLS

Every year it has become a tradition to have our annual citizen's police academy start on the first Thursday after the Dr. Martin Luther King, Jr. national holiday.

The citizen's police academy has become very popular with long waiting lists for the following year.

The class is an 11-week class that meets every Thursday from 6:00 P.M. - 9:00 P.M. at different locations throughout the city and county.

Through our partnerships with St. Petersburg College, the Gulfport Fire Department, and the Pinellas County Sheriff's Office, we have numerous field trips to such locations as the police academy driving pad, the PCSO shooting range, the 911 communications center/emergency operations center, the Pinellas County Forensics investigations headquarters, and also the Gulfport Fire Department.

Academy participants are trained on how to properly use a semi-automatic 9mm glock handgun and also get the opportunity to be involved in a car chase where they chase our own Chief of Police, Robert Vincent!

If you are interested and wish to apply, please contact myself (Officer Zack Mills) at zmills@mygulfport.us with your name, date of birth, and address.

Preference is given to those who live in the City of Gulfport.

We look forward to seeing you soon!

BUSINESS CORNER

THE STORAGE HOUSE

The Storage House is a great 49th street supporter. The pristine facility, with many of their storage units climate controlled, is clean and always well maintained. Marc and Mike Brandenburg have been HUGE supporters of the projects happening in our area.

Conveniently located from all points of the county, they offer not just a secured location to store your treasures, they also sell moving boxes of all sizes, packing tape, locks, wrapping paper and bubble wrap. A clean and secure facility with so much more.

From the day that the Brandenburg's located here, they became members of 49th Street South Business Association.

They are one of the first to jump in with both feet and always asking how they can help. We are proud to have them as members of our organization.

Located at 1219 49th Street South they are there to serve your storage needs www.thestoragehousefl.com check out their web site.

SAFETY TIRE AUTO

For years the people of Gulfport and surrounding cities have trusted Safety Tire Auto with their car repair needs. To them everything is important no matter if it is just a tire plug, or new tires, tune up, electrical, light bulbs or engine replacement they work to get you back on the road again.

John and Mike are great supporters of the 49th Street Business Association. In preparation for the Grand Opening of Trolley Market Square in February they are prepping their location with a brand new paint job. The main parking lot will be converted into additional Handi Cap parking and VIP parking thanks guys you make our projects so easy.

LIBERTY TAX

4920 Gulfport Blvd S, Gulfport Florida, 33707. Owned by Michelle Kotewa.

The tax professionals at liberty Tax Service have been servicing the Gulfport Community in the Gulfport Square shopping center since 2000.

The office is a full service Tax office. The office is also the home of an Insurance agency handling Life Insurance, Final Expense and Health Insurance and Affordable Care Act Navigation as well as providing Prepaid Legal Products and Identity Theft Protection.

BUSINESS CORNER

LIBERTY TAX

The Office believes strongly in giving back to the community. Our wonderful waver Mr. Liberty Jerry Trinkner delivers cookies on Tuesday to the vendors of the Tuesday Market to give them a treat while they work hard bringing tourists and residents to our beautiful downtown area.

We also just concluded a successful “emergency toy drive” in conjunction with the 49th St S business Association for the Operation Santa” project of our First Responders.

We are open all year and our Conference area is available for customers to use as a an office for private meetings if needed.

We look forward to many years of being part of the Gulfport Community.

TOY DRIVE

We want to thank Mayor Yakes and the Sheriffs Department., St Petersburg Garden Club, The Storage House and the article in the Gabber for the donations we received for the Toy Drive.

SPOTLIGHT ON WHO'S GUIDING OUR CITY

CHRISTINE ANNE BROWN, VICE MAYOR

I had an opportunity to sit with our Vice Mayor so here is some things you probably did not know.

Christine Anne Brown is your council member for Ward 2. Ward 2 includes the waterfront and marina districts.

Christine has had the privilege of serving on the Gulfport city council for six years.

She has over 30 years of community involvement under her belt. From Girl Scout leader to church finance committee and everything in between.

She has been teaching Mathematics at Boca Ciega High School for more than 25 years. She is a 1992 graduate of Eckerd College, with a Bachelor's Degree in Mathematics and is also a graduate of the University of Florida with a Master's Degree in Education.

I asked Christine to tell us some interesting facts about herself and this is what she had to share. We are lucky to have her experience, her enthusiasm and her voice on city council.

INTERESTING FACT #1: SHE WAS BORN IN TRIPLER'S ARMY HOSPITAL. HONOLULU, HAWAII

My father was in the Navy. We lived on Ford Island. Ford Island is a tiny island in the center of Pearl Harbor and was the main target in the attack on Pearl Harbor in 1941 because of all the Navy Battleships that were moored around the island. In 1961 when she was born, there was a Naval Air Station along with Navy housing on the island.

What a great way to start life, living at the beach in Hawaii with the USS Arizona Memorial in your backyard. Only very recently was a bridge built to the island, so back then my mother had to take a ferryboat to the hospital when she went into labor with me.

Two years prior to me, my sister was born in San Diego. My parents lived on Catalina Island at that time; they had to take a ferryboat to get to the hospital for her too. We are like the Ferryboat Kids.

One more thing about Ford Island, have you heard of the movie In Harm's Way starring John Wayne? Well it was filmed on the Ford Island and my parents and many of the other couples who lived on the island were lucky enough to be extra's in the opening dance scene. That is their claim to fame.

**INTERESTING FACT #2:
SHE WAS BORN ON MARCH
14TH**

It's Pi Day, 3.14. Math classes around the world celebrate that day with hands-on activities aimed at teaching the students about the ratio of a circle's circumference to its diameter.

Isn't it weird that I would become a math teacher? And quite by accident, my room number at Boca Ciega High School is 314! It is also Albert Einstein's Birthday. My daughter's birthday is 2-27 and 22 divided by 7 is pi too.

**INTERESTING FACT #3:
SHE KNOWS HOW TO
DRIVE A FIRE TRUCK**

She spent 10 years on the Gulfport Volunteer Fire Department. When she married into the Worthington Family, she found out that volunteering is what they do.

In her 30 years of living in Gulfport, in addition to the ten years as a volunteer firefighter, she served on the Fire Pension Board, on the Millennium Committee, on the Charter Review Committee (twice), and on the Code of ordinance review committee (and thanks to the hard work of this committee, you can no longer park your horse on the sidewalk).

She was a board member for the Gulfport Historical Society for almost 20 years. She was a founding member of the Gulfport Community Response Team or CERT. The CERT organization is an offshoot of Homeland Security and we are trained to help our community in the event of a large scale disaster.

INTERESTING FACT #4: SHE HAS ALWAYS LIVED ON THE COAST:

Hawaii, Washington, California, Connecticut, Virginia, South Carolina and Florida.

She did live for one year in Monument Colorado while her father was in the Vietnam War. Apparently, she is drawn to the water's edge.

Her husband was born here in Gulfport and that makes her daughter, Elizabeth, a 7th generation Gulfportian and a direct descendant of the founding family, Rebecca and James Barnett.

The fascinating thing about Gulfport is, if you've lived here for one year or for a lifetime, it is the easiest place to feel as though you belong. If she is walking down the street and she says hello to someone and they don't respond back, The she knows knows that they're not from Gulfport. We say hello anyway, because that's what Gulfporters do. Gulfport is the true definition of a community.

JANUARY 19TH

A DAY OF SERVICE

January 19th a day of service: Join the city of Gulfport and help us with our day of service at Lincoln Cemetery bring Mowers, Weed Wacker, Racks, Shovels, Gloves, Clippers and anything else you use to help us bring back the pristine look of the area.

TROLLEY MARKET SQUARE

GRAND OPENING 23 FEBRUARY

Grand Opening of Trolley Market Square is drawing near 02/23/2019 is the opening and plans are being made now mark your calendar.

CONSTRUCTION UPDATE

Everyone loves to see dirt being moved. We want to take the time to thank Tampa Contracting Services for allowing us to intrude each day and take picture of the progress.

So much has been going on at the New Trolley Market Square venue area. Most of the new sidewalks are installed.

Stage area has been prepped, pedestal footers have been poured that will support the sun sails over the area. The old side walk area along 49th street is gone in preparation for a new wrap around walk way.

TROLLEY MARKET SQUARE

TANGERINE GREENWAY - TROLLEY MARKET SQUARE
CONSTRUCTION IN PROGRESS

Duke energy has installed new main power lines up to the venue, a reinforced grass parking area has been installed and a new handicap space. The city crews have installed irrigation lines for the new planter areas. You can follow the daily activity by logging on to our face book page

www.facebook.com/SO49

A special thank you for Jeri Reed who after working 15 hours each day takes the time to upload the pictures I take each day. There are over 300 shots of the project and some videos so take the time to view them and PLEASE take the time to like our page.

On 12/13/2018 I got to be there when the first brick was laid and boy did things move fast from there. I watched for over an hour and the skills of the chief brick layer were very evident. In 5 seconds this individual put down 6 square feet. As I watched foot after foot was laid, it was hard for the brick carriers to keep up.

TROLLEY MARKET SQUARE

CONSTRUCTION UPDATE CONTINUED

The rain came on Friday the 15th and put things on hold but when there was a break in the weather Saturday morning they were back to work, 2/3 of the main patio area has been laid and by next week I am told this part of the construction will be complete.

To my surprise on Sunday the 16th the crew was back and laying brick at a fast pace. One Monday the 17th crews were back at it putting in a new storm water culvert so much to do to make this venue a first class event location.

Let's recap on the total construction site. The removal of contaminated soil over a 5,000.00 square area of the site, New Sewer lines, new venue electric, new water, new Power pole supply lines, permanent handicap parking space, brick laid over the venue site, storm water culvert but to see for yourself go to the face book page there are 100's of pictures see for yourself.
