49TH ST SOUTH BUSINESS ASSOCIATION NEWSLETTER

Message from the President

As we celebrate progress and projects, I thought we should take a step back and remember that our freedom is not free. Memorial Day is May 27, 2019. Here are some facts that allow us to have our freedoms.

Each year on the final Monday in May the United States celebrates the federal holiday Memorial Day. Originally Memorial Day was known as Decoration Day, meant to honor the Union and the Confederate soldiers who died during the American Civil War.

By the 1900s it had become a day to celebrate all American soldiers who died while serving in the military. It wasn't until 1967 that it was legally named Memorial Day. It became a federal holiday in 1971.

Interesting Memorial Day Facts

- The true origins of who held the first Memorial Day celebration is a debated subject.
 - Approximately 620,000 soldiers on both sides died during the Civil War.
 - Congress passed a law in 2000 that requires all Americans to stop what they are doing at 3pm on Memorial Day to remember and to honor those who have died serving the United States. President Clinton signed this action.
 - The flag is supposed to be flown at half-mast until noon, and then raised to full mast until sunset on Memorial Day.
 - It is common for volunteers to place the American flag on graves in the national cemeteries.
 - Although not as popular today, one tradition was to eat a picnic meal while sitting on the ground of a cemetery.

Message from the President

- The tradition of wearing red poppies on Memorial Day originated from John McCrae's 1915 poem In Flanders Fields.

*In flanders fields' the poppies blow
Between the crosses, row on row,
that mark our place: and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset
glow,
Loved and were loved, and now we
lie
In flanders' fields.
Take up our quarrel with the foe;
To you from failing hands we throw
The torch; be yours to hold it high,
If ye break faith with us who die
We shall not sleep, though poppies
Grow in flanders' fields.*

John Mc Crae, 1915

Memorial Day is sometimes confused with Veterans Day. However, Veterans Day honors all United States military veterans, while Memorial Day honors the soldiers who died while serving.

In 1966, President Johnson named Waterloo, New York as the original place of Memorial Day. There are more than 300,000 fallen soldiers buried at Arlington Cemetery. On average, there are 28 burials there each day.

God Bless those who died while serving!
Respectfully,

Jeri Reed

MOTHER'S DAY MEMORIES

BY PHIL REED

There are so many memories of my MOM but this one seems to stick out in my mind and has sustained 30 years of memories. My mom was a stickler for detail and loved the holidays. She would cook for everyone. Ham, corn on the cob, bread, mashed potatoes, sweet potatoes and so much more.

She would set a table using real china and real silver ware not the Styrofoam and plastic. She would have a salad bowl, dinner plate bread plate, dessert plate, you get the idea. One Easter, as we were all seated around the table and had eaten so much we all were at the edge of bursting. Well then she brings out the dessert and you do not tell mom "NO".

I said to her as she was cutting the cake just put mine on my plate that I had used already. She looked at me in disbelief. I said to her I just want to save her the need to wash an additional plate. Everyone began to agree with me. She stood there for a moment and then said, "OK, you guys want to eat like pigs, I will serve you like one," and began to throw the cake on the table right in front of us.

From then on we NEVER asked her to serve us on the dirty plates ever I tried to avoid Holidays all together LOL.

BY COUNCIL MEMBER CHRISTINE BROWN

The most memorable and touching Mother's Day memory was my first Mother's Day in 1998. We enjoyed the sun and sea breeze at Fort Desoto with family and friends. I feel so lucky to be able to have the experience of being a mother.

This Mother's Day 2019, I will be celebrating my daughter, Elizabeth's, college graduation from Florida State University with a BS in Criminology. We are so very proud of her, her accomplishments and her plans for the future. My advice, if you believe nothing else, believe that the years when your children are young do fly by.
