49TH ST SOUTH BUSINESS ASSOCIATION NEWSLETTER

Message from the President

Summer is upon us and school is out! There are a lot of youth with time on their hands and nothing to do. Could you make a difference? Could your business possibly provide some opportunities for youth to do something positive?

Unfortunately, it is a reality that people tend to focus on youth getting in trouble during the summer. This is usually affiliated with boredom. Have you thought about mentoring a young person? Maybe having an apprentice?

Did someone do it for you when you were younger? Think about that person that influenced you and helped you become the person you are today. Be that person!

Maybe that person was your father. We do celebrate Father's Day in June! Why do we celebrate Father's Day? The idea of a special day to honor fathers and celebrate fatherhood was introduced from the United States.

There, a woman called Sonora Smart Dodd was inspired by the American Mother's Day celebrations to plan a day to honor fathers. In the USA, Father's Day has been celebrated in June since 1910.

Honor your father, mentor our youth and let's make 49th Street shine, grow and flourish!

Respectfully,

Jeri Reed

Jeri Reed, President SO49

SUMMER MOVIES IN THE PARK

We are actively looking for sponsors for movies to be provided two Fridays a month that will be free to the public. Think about becoming a sponsor. I have provided the flyer below.
