49TH STREET SOUTH BUSINESS ASSOCIATION NEWSLETTER

MESSAGE FROM THE PRESIDENT

LOOKING BACK ON 2020!

I cannot take credit for it, but I saw this post on Face Book and feel it is an appropriate description of 2020.

The storm has been multi-faceted. Businesses have been affected by Covid in many ways during the different phases and so have families. As the holidays have approached, the numbers are again going up. Be safe, maintain social distancing, continue with hand hygiene, and maintain face coverings.

Our Chaplain at work remarked to the department heads last week, "You never know what someone is going through. They may be contemplating suicide..." or may be planning something else. That evening, I had a call from one of my staff members. She truly was going through something and we spent one hour on the phone and have talked since then.

Additionally, we have had 03 young men overdose at a home in our district. Three lives gone too soon and family members that will always look back at that when the holidays arrive.

I don't bring this up to bring anyone down. I bring it up because it is true, "You never know what someone is going through!"

Therefore, "Just be kind and help whoever you can." You may need someone to help you one day!

We don't know what 2021 will bring but we can help guide it along. We will resume meeting in January to plan for 2021.

I would like to wish everyone reading this a Merry Christmas, Happy Hanukkah, Happy Kwannzaa and Happy Holidays! I wish everyone a safe and Happy Holiday Season and a safe and prosperous 2021!

Feel free to contact us at so49web@aol.com or jsrtraining@aol.com or call 727-439-0164!

Respectfully,

Jeri Reed

President**

SAFETY CORNER BY OFFICER ZACK MILLS

REACTING TO A POLICE CAR (MARKED OR UNMARKED)

You may be signaled to pull over by a police car or an unmarked car with a flashing light. If you are concerned about the circumstances or suspect that the person pulling you over might not be a real police officer, there are some precautions that you can take.

When pulling over, try to do so in a well-lit area or public space. Signal to the officer your intent on pulling over so they are aware you are going to do so.

Most police officers, whether in uniform or plain-clothes, will insist on physically holding and inspecting your license and registration. You can safely respond to their request by partially lowering your window a couple of inches to pass the documents to them.

Ask to see the officer's credentials. If they show it to you briefly or refuse to show you, be suspicious and ask for another officer to come. There are many instances of criminals impersonating police officers where they abduct the person they pull over. You may aggravate the officer by insisting on these things, but it's better to be safe than sorry.

By Florida law, you must provide documents requested by an officer. If you refuse to even roll down your window or refuse to provide any documents, you run the risk of being arrested for obstruction of justice.
