49TH ST SOUTH BUSINESS ASSOCIATION NEWSLETTER

Message from the President

Spring has sprung and so has Trolley Market Square! This means that we can now spring forward with planning activities for the area to bring people to the district. That is one of the major functions of SO49 for you. We do all we can, but we can't do it all!

So what can you do to assist? Help us increase membership and assist us with leads for sponsorships. We are currently looking for sponsorships for the 2019 Trolley Market Square Blues & Brews scheduled for November 2nd, 2019.

We have scheduled the following bands for our amazing line up (yes, subject to change): TC Carr, Marty Stokes, Smoking Torpedos and Bridget Kelly Band.

If you are interested in sponsorships or have a lead on someone as a potential sponsor, please let us know ASAP.

We are also working on a Wedding Vow Renewal Ceremony in June of 2020. More to come on this event, the market and others. We look forward to seeing and working with you!

HONORING OUR SUPPORTERS

In case you missed it we honored 10 very special people and their companies. Here is an excerpt of President Jeri Reed's speech.

At this time we have 10 very special awards for individuals that for 10 years have supported our Organization and today we want to recognize them. Blake Casper's, Owner of many McDonalds throughout the region (This is a company that never say's no, not just to us but the many charities in our city), Mark Postma Sun Star (he is a fine example of big corporation working in the community never wanting anything in return but there to lend a hand and get involved), Marc & Mike Brandenberg

owner of The Storage House (from the day they moved into town they jumped in with both feet and have been one of our biggest supporters), Ramon Hernandez Owner of Pipo’s Cuban Grille the area’s finest Cuba Food restaurant and a great friend always asking what he can do for us).

John and Mike Grodon Safety Tire auto is our community’s best auto repair location and great friends of South 49th street), The Gulfport Gabber Ken and Debbie Reichert from day one they were there helping us get the word out here and our gulf beaches making sure we had a successful project every time.

Sam’s Club St. Pete (From the day they opened and even though they are affiliated with the world’s largest company they are always there to help, making sure our project is a big success), Smoking J’s Bar B Que unquestionably the best Bar B Que in the Tampa Bay area John is there when no one else wants to help and he has feed the state during times of disasters.

News Channel 8- This is a News channel that sends emails out to us, asking us what we have going on, always there to help us get the word out.

City of Gulfport - We believe that we have the finest city council in the State but it does not work without the City Manager and his staff by far the best in the state. Finally 49th Street South wants to thank Justin Shea and his staff, for the outstanding job in helping us get the Dedication done. Their job is thankless but we want you all to know that it does not go un-noticed for the hard work, THANK YOU.

CLASSIC CAR SHOW 2019

The car show was a big success. What fun it was to see all the Classic cars Old and New. 67 cars came out to the dedication of Trolley Market Square and to welcome us and the So Classic Car Show back. In case you missed it here are many images of the classic cars that came out for the day.

TROLLEY MARKET SQUARE

SITE UPDATE

Trolley Market Square is moving forward with the finishing touches being done each day. Sprinkler systems are installed and we are awaiting the new Bermuda sod. When the sod is done we will be looking at a beautiful golf course green, we are all so excited for this to be done.

Several new benches that surround the greenway have been installed such a great way to walk the area and sit and admire the accomplishments of the city. A Special thank you goes out to the City Council and our City Manager for their vision and for listening to our ideas for the area.

Soon the Trolley will be in place at the Green Way and that is the final piece of the puzzle.

Saturday Morning Markets – The official first market was at the grand opening and we had a good variety to start with, we call that just a taste of things to come.

We are waiting for the go ahead to start up the Market on the 2nd and 4th Saturdays of each month. The application for the Market is located here but you can also find it on our web site at SO49.org.

We have a lot of free parking unlike other area markets. Our price for a space is only \$10.00 and we have had a lot of discussions of the time frame to build up the traffic flow for the market.

In the end it will be well worth it so plan on getting in the zone and get involved and help us make this a great market. Help us by sharing our application with other businesses we are open to all kinds of products. All vendors must be under a tent to give it uniformity.
