Enjoy a wonderful summer evening, renewing your wedding vows and celebrating with family and friends. 49<sup>th</sup> Street South Business Association is partnering with USF Center for Autism and Related Disabilities (CARD) to bring you a wonderful new project called **A Night of Nuptials** at Trolley Market Square. The wedding couples, after renewing their vows, can enjoy a wonderful summer evening with 6 of their close friends. In addition, each couple will have an elegant table setup, a bottle of champagne, a wedding cake, 6 wedding photos, access to 10 tables of fine food by some of our area's finest chefs and dancing under the stars with a live band. There will be a cash bar for individual tastes. Contact us at [SO49web@aol.com](mailto:SO49web@aol.com) or call 727-327-3509. We have a payment plan to fit your budget!

### What the wedding party receives for the event:

The wedding party and guests will be seated at an elegantly decorated table for 8. A wedding cake will be provided for each table by our wedding cake sponsor decorated using the bride's colors. A bottle of champagne for each table will be provided for the wedding toast. The wedding party will have over 30 entree choices from the area's finest restaurants and the opportunity to meet the restaurant owners who will personally serve you. A full salad bar and dessert bar is included. A wedding photographer will take pictures throughout the night with 6 photos included in your table cost. Additional photos will be available through our onsite photographer. Flower settings for each table to match the bride's colors will be provided. Additional flowers can be bought through our flower sponsor. Additional bottles of wine may be ordered in advance and a full liquor bar will be provided at a modest cost. On the day before the project the couples will be treated to an evening cruise aboard Hubbard Marina Sightseeing tour boats. The night of the event will end with a live band dancing under the stars. Get your table quickly with only 60 tables available. Pick of table location is first come first served. The proceeds for this project benefit the USF Center for Autism & Related Disabilities.
