

◆ SUMMER SERVICE UPDATES ◆

July 3 we move to the chapel for our lovely air conditioned summer services! We have a fun summer planned with different people involved in leading the worship and music during Rev. Sonia and Alex's respective vacations.

We have an opportunity for one more volunteer to lead the service on Sunday August 14th. Resources and planning assistance will be available if needed. If you can cover the service please connect with Rev. Sonia, Libby or Jan by July 17th.

◆ WORSHIP NEXT WEEK ◆

Naaman is a commander in the king's army and he has been afflicted with leprosy. The king wants to find a cure for him and the prophet, Elisha's name is brought up. Naaman is sent to see Elisha who tells him to go to the river Jordan and bath 7 times. Naaman is enraged. This "cure" was not what he expected and he was unwilling to follow through. Friends pleaded with him and convinced him to give it a try. He relented and was cured.

Luke's gospel message continues the discourse on committed discipleship and how to handle the rejection of their listeners. Jesus says the disciples represent him and whoever welcomes and accepts them also welcomes and accepts Jesus. But when they are not welcomed, they are to shake the dust off and move on.

Please note this service is being streamed on our Youtube channel and recorded for placement on our YouTube channel after editing. If you have any questions, please reach out to the church office: melrose@melroseunited.ca.
