SUN JUNE 26th

Big Question of the Week

Can God Actually Talk to Me?

Yes! God can actually talk to you! The secret is to learn how to hear His voice. Sometimes that means taking time to be quiet and listen. This is not always easy to do. It is easy to be distracted by the TV or the sounds of cars going by. Sometimes it's easy to be distracted by the noise of your own thoughts!

God's voice is different from our thoughts. God often says things you might never think of yourself. Sometimes God speaks to you through a Bible verse or the words in a book or a sermon from Rev. Sonia. Many times God also speaks to us through people we love.

God can speak a tender word of comfort, or a stern word of wisdom. He could give you a new spiritual idea or instruction. God always knows exactly what you need to hear, it's always a good idea to listen to God.
