

## SLAD Planning Exercise 2/15/2022

### List of Ideas

#### **Room 1:** (Scott Hanton, Lisa Purvis, Sarah Lambi, Squires, Tina Sain)

- Billboard – priority
- Upcoming local races – school board is important, we need people to run. Lisa P. suggested posting in SL Parents for Safe Schools FB page
- Social gatherings – in addition to business meetings
- Website – needs updating
- Zoom link hard to find on FB invite – add to body of invite

#### **Room 2:** (Alex, Allison Ranusch, Constance Lippert, Jack)

- Expand our knowledge of topics – consider having a “book club”
- Have statements that outline what we stand for – on our website, FB page, consider publicizing

#### **Room 3:** (Amber King, Jason Morgan, Jon Cherney, Linda Gruber)

- Increasing our Precinct Delegates
- Increasing signage in our area – flags/signs that are positive
- Registering young voters – hosting some sort of event for seniors

#### **Room 4:** (Jen Barshaw, Rebecca Hill, Sandy Stewart, Shawn Perttunen)

- Improving meeting attendance
  - Speakers are important, but maybe only having them at every other meeting or have longer meetings when there is a speaker
  - Billboard – both to support candidates and let other Dems know we are
  - Consider new donation to Active Faith
  - Consider donation to Youth Assistance Group
  - Club fundraisers – car washes and pizza kits – other ideas needed.
-

**Room 5:** (Aschers, Copps, Val Whalen)

- Focus on local elections
  - Get more people on boards and commissions
  - Endorsements / donations – most should go to local elections
  - Safety – need to discuss how to handle any unsafe situations at meetings / public places
  - Bigger effort in Green Oak Twp. – maybe reach out to Livingston Dems to do something together.
-
