PREPARATION GUIDELINES

All Restorations are made in the USA using FDA-Registered dental materials (all brand names). Prices shown are flat per unit unless indicated and do not include round-trip overnight shipping per box. Refer to back of Rx form for In-Lab working times.

All prices are per unit. Prices subject to change without notice. Please call or email for your case planning and Lab-Time estimation. No additional charges for comprehensive case planning!

TERMS AND WARRANTY INFORMATION

TERMS: Cost of collection of any account will be paid by the customer. All accounts are payable within 30 days of statement date. **Accounts not paid within the stated terms will be subject to COD status and a late charge of 2 percent of the unpaid balance.** Prices subject to change without notice.

LIMITED WARRANTY/LIMITATION OF LIABILITY:

NEOCAD USA Dentistry warrants that all dental devices are made according to your specification. Subject to the return of a device that is placed and then fails, the lab will repair or replace the device without charge for the cost of materials and workmanship or refund the original price paid, at the lab's option, as follows: (1) porcelain to metal, all porcelain, all metal, single-unit inlay, on-lay and crown composite resin final prosthetics (excluding mutually opposing implant-supported full arch bridges), milled implant bars, and screw-retained titanium or zirconia abutments (excluding abutments with angulations greater than 20 degrees), up to two years; (2) composite resin bridges (excluding Maryland and inlay/on-lay bridges) up to 6 months (3) Transition Crowns and Bridges® up to two years; (4) removable appliances including screw-retained dentures but excluding thermoformed appliances, immediate dentures, immediate flexible nylon partials, and acrylic flippers, up to six months if the failure is due to defects in materials or workmanship, (5) thermoformed appliances if the failure is due to defects in materials or workmanship, provisionals, composite resin Maryland and inlay/on-lay bridges up to six months; (6) Smile Transitions™ cosmetic appliances up to 60 days; (7) immediate dentures, immediate flexible nylon partials, acrylic flippers, retainers, surgical and radiographic guides, and all other dental devices up to 30 days if the failure is due to defects in materials or workmanship. You agree to pay all other costs of adjustment, repair and replacement of devices. The laboratory does not warrant that such devices are fit for any particular purpose and if such disclaimer is not permitted by law, the duration of any implied warranty is limited to 90 days from the date of delivery. The lab does not guarantee the performance of independent carries.

Implants, Attachments, full Arch Reconstructions require additional time. Please allow us to evaluate the case and contact you with a delivery schedule!

Times do not include day of pickup and delivery

All Warranties will be voided immediately when our business is no longer associated.
