PROBE CONSULTING COMPANY, L.L.C. is currently offering a Four-hour (4) workshop covering *High-Impact Educational Practices--HIPS*. *HIPS* have been widely tested and have been shown to be beneficial for students from various educational backgrounds. *HIPS* take many different forms, depending on learner characteristics and on institutional priorities and contexts.

This interactive workshop illustrates how to engage learners at your institution in an immersive, dynamic, and shared learning environment that will help facilitate authentic learning and transform them from Novice to Expert Status in 48 months or less. The workshop will cover the following HIPs:

First-Year Seminars and Experiences

Common Intellectual Experiences

Learning Communities

Writing-Intensive Courses

Collaborative Assignments and Projects

Undergraduate Research

Diversity/Global Learning

ePortfolios

Service Learning, Community-Based Learning

Internships

Capstone Courses and Projects

Workshop Facilitator: Cecil H. McManus, Ph.D. has published, presented, and trained student support staff and faculty members for over twenty years in techniques germane to infusing *HIPS* into an asynchronous, web-based, active learning space. Since 1993, as a new faculty member at *North Carolina A&T State University*, Dr. McManus has infused *HIPS* into numerous shared learning spaces with highly motivated scholars. If you have been tracking the current trends germane to ROI and student debt, you know that you need to develop a four-year undergraduate curriculum. Use *HIPS* to produce knowledge-seeking intelligentsias in 48-months or less. Let's get started. Send an e-mail to cecil_mcmanus@probeconsulting.com or scan the QR Code below.
