

PROBE CONSULTING

*A day without **DATA** is like a day without **SUNSHINE***

Pastors, Health Ministry
Leaders, & Congregation
Support Leaders

During this pandemic, it is very likely that you are not seeing your congregation face-to-face. If you would like to reach out and see how things are going, we can help. Check out this PROBE Consulting L.L.C. health survey. We will send it to your members to collect information about wellness-related behaviors. You can use the information to provide tailored support for your congregation during these stressful times.
