

Here is what is included in our **18 February 2021 \$990.28 degree completion package.**

\$175.00 retainer fee. Then pay \$271.26 on March 1, April 1, and May 1, 2021. That is all you pay! Here is what you get:

01. A detailed review of your Chapter three
02. A detailed review of your hypotheses
03. A detailed review of your methodology
04. A thorough review of instruments (if applicable)
05. Conversion of a paper-and-pencil instrument to web forms (if applicable)
06. Hosting your web-based survey and monitoring its deployment
07. Providing the means for you to monitor the survey deployment in real-time
08. Converting survey responses to SPSS data (.sav) and output (.spo) files
09. Developing slides of all statistical output for committee presentation
10. Provide assistance in responding to any statistical questions raised by your committee for up to two revisions.

After paying the initial retainer fee, you can pay for our services in three (3) installments using a major credit card (a **03% fee + 50 cents are added to each installment payment***). We also accept checks or money orders. All payments are to be in USA currency.

** **The 03% fee + 50 cents added to each installment payment goes to the card processing company and not to PROBE Consulting.***
