YOU!**

## PRESIDENT Patrick's MESSAGE.

It's hard to believe that it's November already. With the weather turning colder it means more in-house time taking care of your aquariums. I know that this is the case for me. Our annual fall auction just wrapped up this past Sunday and I believe it was a success all around. I wanted to thank all of our club volunteers that gave their time to help out with whatever role they had volunteered to undertake. We had almost 550 aquarium items (plants, fish and aquarium supplies) up for grabs. I think both the buyers and sellers came away pleased with the outcome.

We have a presentation at the November meeting by Jessica Bullock, the 2<sup>nd</sup> vice- President of the Hamilton & District Aquarium Society, on fish rooms and breeding projects from various club members. I find it always interesting to see other's fish rooms and the successes with fish breeding that they have had. I look forward to seeing you at our next meeting.

Thank you

*Pat Shriner*
