

S.C.A.A.S.

MEMBER INFORMATION

Welcome to the St. Catharines & Area Aquarium Society. The Society was established in 1958. It is a non-profit, educational organization dedicated to the task of promoting interest in the breeding, raising, maintenance and study of tropical fish and plants both at the beginner and advanced levels. We hold our monthly meetings in the months of September to June on the second Monday of every month at 7:00 pm at the Grantham Lion Club, 732 Niagara st in St. Catharines . At the meetings we start of with welcoming new members and discussing club business.

After that we have a presentation/speaker who will speak on a specific topic in the aquarium hobby. Following the presentation

we have a short break which gives you time to look at things that are in the auction and to meet and greet with other members. All members are able to place any aquarium related item in the auction to be sold for a small fee of 30% which goes to support the club.

MEMBERSHIP BENEFITS

- You have the opportunity to sell some of your own excess stock at our monthly auction.
- Participation in breeding and plant propagation programs, jar shows and the running of the club.
- Many opportunities to meet other hobbyists from S.C.A.A.S, and other clubs in Canada and the U.S. to share experiences and exchange information
- Newsletters containing articles, items for sale, upcoming events such as shows and auction sales (often in other cities). where it is often possible to buy plants and fish that maybe unavailable locally.
- The enjoyment of a variety of special speakers and programs.
- Discounts at participating pet stores. (SEE REVERSE)
