Pat's Outgoing Presidential Message

Welcome,

It was good to see so many of you out at our November meeting. The presentation by Peter Desouza, was both interesting and informative about his collecting adventures in Cameroon. A couple of photos from the meeting shown below.

Also during the November meeting we had our club elections. I would like to welcome and congratulate our new club executive.

President – Jon Mattatall

1st Vice President – Tom Hiller

2nd Vice President – Trish Fruck

Club Secretary – Phil Barrett

Treasurer – Andrew Fruck

We this ends my time as President and I just wanted to say thank you for your support over the years that I was in this position. We couldn't have continued on as a club without all the hard work and dedication to this club that executive have provided over the years. I look forward to seeing the club grow again once we put this pandemic behind us.

As always, we are looking for your aquarium-related photos, articles, fish ads for the SCAT.

Also, we are looking for a volunteer to take on the upkeep of the aquarium at the St. Catharines Public Library. Pat & Tom Bridges have been tending to this aquarium since 1998. A big thank you to the Bridges for caring for this aquarium for so long. This aquarium has been valued by the library staff and patrons, specifically the children. If you are interested please contact any member of the executive and they can provide you with the details.

Pat

Jon's Presidential Message

Can you believe it's December already, time for warm clothes warm drinks and keeping the house at a balmy 78F to keep them tanks warm. We've had a great 2022 so far and been able to finally operate the club as normal with no more lockdowns or restrictions. That being said I hope everyone continues to stay safe, happy and are able to enjoy our upcoming events.

I would like to thank everyone for coming out last month for our November meeting and enjoying our presentation by Peter DeSouza as he told us about his "Collecting Adventures in Cameroon". It was a very informative presentation with great footage, pictures and a lot of great information on many of the native fish, local wildlife and style of life in the African Country. I would look forward to having him again as a speaker sometime in the future.

I would also like to congratulate all executive members on the election we had as well. Many of the old executive members have stayed on to keep this club awesome and moving forward into the rest of the 2022/2023 club season. Your new executive committee is as follows; President JON MATTATALL, 1ST Vice President TOM HILLIER, 2ND Vice President TRISH FRÜCK, Secretary PHIL BARRETT and Treasurer ANDREW FRÜCK.

I would especially like to thank Pat Shriner our past president who has just stepped down this year. He has kept this club going strong since 2017. Pat may have stepped down as president but his dedication to the club hasn't stopped. He has agreed to continue on as our SCAT author/editor as well as continuing to be the Jar Show coordinator and Judge once we get the monthly show back up and going.

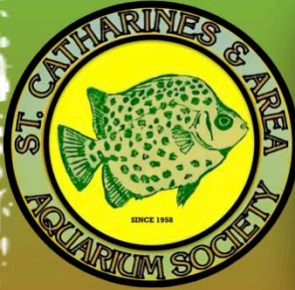

As your new president I will work with our executive members and our other committee members to get this club back up and running since COVID-19 knocked us down with all the restrictions and lockdowns. Now that our club has settled in to our new home at the Grantham Lions Club things should start to get back to normal. Our membership count is on the rise and getting speakers for presentations and workshops are becoming more readily available. One item I would like to see back up and going is the jar shows. Hopefully with membership on the rise and more members willing to participate we may see a come back to the program.

I can't wait to see you all at our December meeting as it will be my first as your new president. December's meeting will be our annual potluck Christmas party with delicious items brought in by members as well as the club providing pizza and drinks. Gifts will be provided to paid members who signed up for the Christmas party at the November meeting. So if you didn't get to sign up or wasn't at the last meeting please contact Trish to let her know you are coming to the December party. If you choose to bring a dish of some sort please contact Trish as well to let her know what your bringing as to avoid people bringing the same thing.

With all this said I would like to wish each and every one of you a very Merry Fishmas and a prosperous New Year.

Your President,
Jon
