Greenspring Visit and Fairfax Recycles Day

On November 15, a group of seven brothers along with young men from Woodlawn Chapter, Order of DeMolay helped ~60 residents of the Springfield Greenspring Retirement Community in coordination with the Fairfax County Department of Public Works and Environmental Services (DPWES) dispose of glass waste, recycling, and miscellaneous donations. In total, over three (3) carloads of items were donated, discarded, or recycled to support the residents of Greenspring. Our lodge was featured, and WB Kris Bough was interviewed by the county, which was posted to the [Fairfax County DPWES Facebook page](#).

Thank you, brethren for your charitable work.

Highlights from our 2026 Installation

On December 6, the Lodge room was filled with the spirit of Brotherhood and family as Springfield Lodge #217 officially installed Brother Jason Dillon as Worshipful Master for the 2026 Masonic Year. It was a packed house with approximately 60 Brethren, family members, and friends joining us for our Open Installation.

The ceremony, expertly conducted by WB Alfred Tecson, was the perfect kickoff to the new year. Following the formalities, we transitioned from labor to refreshment with a fantastic Korean BBQ dinner that was as much a highlight as the ceremony itself!

A Heartfelt Thank You to our Installing Team:

- Installing Officer: WB Alfred Tecson
- Installing Marshal: RW Romi Capuno
- Installing Secretary: WB Kris Bough
- Installing Chaplain: WB Dan Abarquez

For those who couldn't attend or want to relive the evening, a digital copy of the program is attached.

Wreaths Across America at Arlington National Cemetery

On December 13, members of Springfield Rainbow Assembly #14, accompanied by Worshipful Master Jason Dillon and Bro. Jared Nystrom, Junior Deacon and Rainbow Dad, participated in the Wreaths Across America wreath-laying at Arlington National Cemetery. Each girl personally placed a wreath and respectfully recited the name of the deceased veteran, ensuring that those honored were remembered not only in silence, but by name.

During the visit, the group also paid their respects at the gravestones of past friends and fellow service members, taking time to reflect on lives of service and sacrifice. Thank you to all who participated in this solemn and meaningful act of remembrance.

THE MASTER'S MESSAGE

My Brethren and Friends, Merry Christmas and Happy Holidays!

I am humbled and grateful to address you for the first time as your Worshipful Master for the Masonic Year 2026. Thank you for the trust you have placed in me. As we draw closer to the holiday season and time spent with family and friends, I wish you all safe travels and a Happy New Year!

Honoring Our Fallen Brethren

Before we look to the year ahead, we must pause to recognize the recent passing of two of our brothers: Brother Murray Selby and Brother Bill MacBrayne. Between them, these brothers gave over a century of service to our Craft. While their loss is felt deeply, we find comfort in the steadfast examples they set for us all.

We had hoped to celebrate Brother Bill this past November with a 70-year Masonic Pin ceremony alongside Most Worshipful Matt Szramoski, Grand Master of Virginia. While he laid down his working tools before that event could take place, we remain committed to honoring his incredible milestone. In the coming weeks, we expect a request for Masonic rites, and the Lodge of Sorrow has been opened for this occasion. We also look forward to presenting his 70-year pin posthumously to his family as a token of our eternal gratitude. (Additional details for both Brother Murray and Brother Bill can be found in this month's Sunshine Report on page 15).

A Vision for 2026: Guiding Light

In moments of loss, the enduring bonds of our fraternity truly shine, and we rely on the legacy of those who came before us to show the way. As we honor their memory, we must also look ahead to the year before us.

Every year, a Master needs a central idea, a focus, something to guide the Craft. This year, that focus is "Guiding Light." Simply put, this year will focus on providing a clear path and a

sense of direction that helps us all become better men. We will leverage the rich tradition our Lodge is built on to ensure that Light is shining as brightly as possible from Springfield.

Our focus will be on three Lights:

1. **Light within the Lodge (Education and Ritual):** We will deepen our understanding of our degrees and lectures, with emphasis on Catechism, ensuring that every Brother knows *why* we do what we do.
2. **Light for Our Brothers (Fellowship and Refreshment):** We will balance our work with refreshment – meaning more casual gatherings and family events – to strengthen the bonds of brotherhood and create lasting memories.
3. **Light for the Community (Charity):** We will actively seek out opportunities to serve our local community, making sure that the good work we do shines brightly outside the walls of our sacred lodge room.

As I mentioned during my installation speech, I truly believe no great thing is ever done alone. We will achieve great things together, and I need commitment from every member of our lodge to ensure we execute and achieve the Lights laid out previously. As Master, it is my responsibility to set the Craft to work and provide proper instructions.

Brethren, let's get to work.

Upcoming (refer to lodge calendar for additional events):

- January Stated Meeting (1/6/2026)
- AI Pancake Breakfast (1/19/2026) – Join us for an open invitation breakfast! Our Junior Warden, Bro Mike Beck, will discuss real-world use cases for Artificial Intelligence and how it can positively impact our daily lives. We will have activities for all ages.

Lodge Updates & Calls to Action

1. **Modernizing Our Communications:** To ensure every Brother stays informed while reducing postage costs, we are updating our digital directory. Currently, only 100 of our 218 members are on our email list:
 - Action: Please email WB Sam Flores (s1secretary@gmail.com) and myself (wmspringfield217@gmail.com) to confirm your current email address.
 - Join the “Lodge Lounge”: We have launched a group chat on the Signal app for real-time updates. Reach out to any officer to be added to the group.
2. **2026 Dues:** Dues notices have been sent. Please remit your payment to WB Sam Flores, Secretary, to receive your 2026 Dues Card and keep your standing current.
3. **Setting the Tone: The First Two Communications:** The next two meetings are the most critical of my term, as they establish our roadmap for the year.
 - **January Stated:** I will present our full 2026 vision and programs. We will also feature a presentation from WB Kris Bough on the vital importance of Catechism and Ritual.

- **February Stated Meeting (Roll Call):** This will serve as an unofficial Roll of the Craft and a reunion for Brethren we haven't seen in a while. I will also present the SL217 Strategic Plan, designed to ensure our Lodge thrives for years to come. I urge every Master Mason to attend and renew your commitment to our lodge.
- 4. Lodge Merchandise: Bro. Mike Beck is leading the effort for new Lodge "swag" (including polos). Planning is underway, with a target order date of February 17.
- 5. Website Refresh: Our website (www.springfield217.org) is currently undergoing a total transformation. While updates will be minimal for the next few months, look for the "New and Improved" site to go live in March 2026.

Closing Thoughts

Our lodge has a legacy to uphold and a standard to maintain. We have brothers who count on us to be our best and to show up for one another day in and day out. I am incredibly proud of this Lodge, and I know that when we set our minds and hearts to a task, we can achieve greatness.

I am energized for the year ahead and look forward to seeing the "Guiding Light" of Springfield Lodge shine through each of you.

Blessings to all of you, S&F,
Jason Dillon

THE WARDEN'S COLUMNS

From the West

Brother Spotlight: Mario Clanor, Senior Warden

I am currently serving as your Senior Warden and work as a Renal Nurse Case Manager at Kaiser Permanente. My wife is also dedicated to the medical field. We are blessed with three children: a daughter, 27, and two sons, 23 and 22. We also have one dog in the family named Summer. I am the youngest of five siblings (3 boys and 2 girls), and I'm proud to say all my siblings are already retired.

I first came to this area in December 1978 when I was 11 years old, going on 12. It was a move inspired by family: my brother was stationed in the Navy Yard in Washington D.C., and he is the reason we were all here at one time. I have lived in this area ever since.

A skill or hobby that might surprise the Brethren is my background in music. I played the clarinet and saxophone from age nine through high school, even joining the Jazz Band Ensemble as the sax player. I was offered a music scholarship at the University of South Carolina but ultimately decided to stay close to home.

My journey to Freemasonry was influenced by my upbringing; I grew up with Masons all around me, both relatives and friends. My inspiration to knock on the door was personal, especially since my own brothers were also Freemasons. For a while, the three of us brothers were also brothers in the Craft.

I was initiated as an Entered Apprentice in 2013, but due to family responsibilities, I wasn't able to continue until I was Raised to the Sublime Degree of Master Mason on August 13, 2015. I proudly completed the one-day conferral with 12 other brethren in Springfield Lodge.

The most valuable lesson Freemasonry has taught me is that I have learned to always be on the level in my everyday life and journey. Currently, I am focused on my duties as Senior Warden, and I am most looking forward to earning my Warden's certificate.

Rapid fire questions:

- Favorite sports team? Redskins (Commanders), Bullets (Wizards), Toyota b-ball team.
- Coffee or Tea (or other caffeine)? Coffee all the way
- Last book read or movie watched? A House of Dynamite (2025)
- Dream vacation spot? El Nido, Palawan

From the South

Brother Spotlight: Mike Beck, Junior Warden

I grew up in St. Louis, Missouri, before moving to New Jersey and working in New York for a few years. Eventually, I made my way down to this area when my wife (my fiancée at the time) was transferred here for her career, and we have called it home ever since.

My wife Krishna and I have been married for 13 years, and we have two children: Nikhil (12) and Naomi (8). Our family is rounded out by our dog, Lola, who is also 8 years old.

I tend to be a habitual hobbier, so, I enjoy getting into almost everything! One skill the Brethren might be surprised to learn is that I know how to sail. I learned as a teenager, and while I don't get out on the water much anymore, it's a skill I'm glad to have in my pocket.

Professionally, I manage a Cyber Vulnerability Management team at NVIDIA. I have also recently taken on the role of research advisor at George Washington University, where I enjoy staying connected to the academic side of technology and security.

My father was a Mason, so I have always had some familiarity with the fraternity. I had looked into joining previously, but after learning that my neighbor, WB Kevin Torres, was also a member, I finally inquired about joining.

I was Raised to the Sublime Degree of Master Mason on April 29, 2023. Since joining, the most valuable lesson I have applied to my daily life is the art of finding balance across my time and stages of life. As I serve as your Junior Warden, I am most looking forward to diving deeper into the nuances and meanings behind our Masonic allegories and symbolism.

Rapid fire questions:

- Favorite sports team? McLaren Formula 1 Team
- Coffee or Tea (or other caffeine)? Yes
- Last book read or movie watched? National Lampoon Christmas Vacation (an annual favorite)
- Dream vacation spot? Havana, Cuba

MASONIC EDUCATION

A Season of Light and Renewal

As we approach the holiday season and prepare to welcome both a new calendar year and Masonic year, we are reminded of the enduring symbolism of *light*, a central theme in our Craft and the chosen focus of Worshipful Master Jason Dillon: *Guiding Light*.

This time of the year holds significance for many people in many ways. For some, it includes the celebration of Christmas. For others, it is a season of cultural traditions, spiritual observances, or simply a meaningful period of reflection. Regardless of how each of us marks the season, it calls us to reflect on how *light* transforms, uplifts, and directs.

Across cultures and faiths, *light* symbolizes hope, renewal, knowledge, and the triumph of clarity over uncertainty. It reminds us that even in the darkest times, understanding and compassion can guide our actions. This aligns beautifully with the teachings of Freemasonry, where *light* is more than illumination, it is wisdom, knowledge, and truth.

Each of us, at our initiation, sought *light*. Each year we reaffirm our commitment to seek it, cultivate it within ourselves, and to share it with others.

With the installation of our new Worshipful Master and officers, we kindle a new flame of leadership for Springfield Lodge No. 217. A new Masonic year invites us to recommit to personal growth, brotherly love, and service to our community. It offers time to reflect on the path behind us and prepare for the journey ahead.

May the Worshipful Master's theme, *Guiding Light*, inspire us to be beacons for one another:

- A *Light within the Lodge* through Masonic education and ritual, deepening our understanding of the Craft;
- A *Light for our Brothers* through fellowship, unity, and the strengthening of bonds among our families; and
- A *Light for the Community* through charity, generosity, and service.

As we gather this season, each in our own traditions, with family, friends, and brothers, let us remember that the *light* we celebrate is the same *light* we are called to carry into the world. May it guide our footsteps, our Lodge, and our Craft in the coming year.

Wishing each Brother and your families peace, joyful, and a blessed new year ahead.

Sincerely & Fraternally,

Bro. Renz Tabil, Senior Deacon

BROTHER SPOTLIGHT: MATT WALL, JUNIOR STEWARD

First initiated in April of this year, I was raised to the Sublime Degree of Master Mason on August 30th through a one-day conferral with several other fine brothers. I currently serve as a geospatial analyst in the United States Marine Corps Reserve, commuting to Springfield from Manassas, VA, not far from my hometown of Culpeper.

In my spare time, I enjoy studying transportation and industrial history, and, when I have time to get carried away, like to pretend I'm a great heavy metal bass player.

My maternal grandfather attended Lodge and Shrine meetings in Maryland and Pennsylvania, and I look forward to traveling to other lodges to see what further lessons, both historical and moral, I can learn by following in his footsteps, in addition to deeper involvement with our own Lodge.

Of the lessons I've learned so far in Masonry, perhaps the most impactful have been those of the 24-inch gauge; money saved on caffeine will certainly go a long way!

Dream vacation spot: Anywhere with mountains, heavy snow, and light traffic.

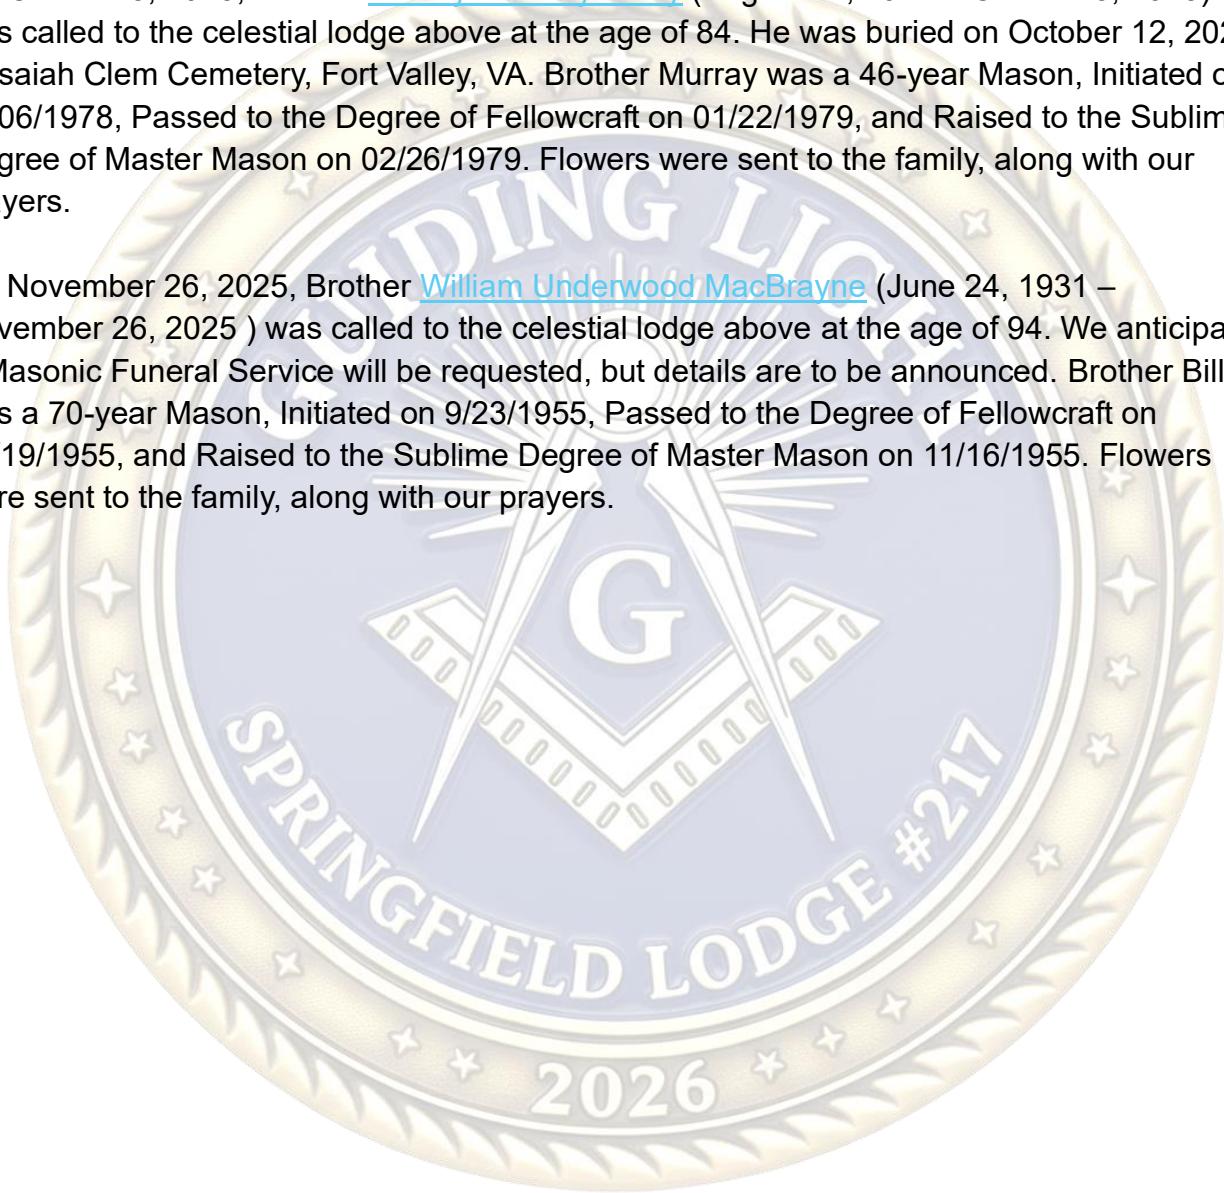

SUNSHINE AND COMMITTEE REPORTS

Sunshine Report

On October 5, 2025, Brother [Murray Anthony Selby](#) (August 21, 1941 – October 5, 2025) was called to the celestial lodge above at the age of 84. He was buried on October 12, 2025 in Isaiah Clem Cemetery, Fort Valley, VA. Brother Murray was a 46-year Mason, Initiated on 11/06/1978, Passed to the Degree of Fellowcraft on 01/22/1979, and Raised to the Sublime Degree of Master Mason on 02/26/1979. Flowers were sent to the family, along with our prayers.

On November 26, 2025, Brother [William Underwood MacBrayne](#) (June 24, 1931 – November 26, 2025) was called to the celestial lodge above at the age of 94. We anticipate a Masonic Funeral Service will be requested, but details are to be announced. Brother Bill was a 70-year Mason, Initiated on 9/23/1955, Passed to the Degree of Fellowcraft on 10/19/1955, and Raised to the Sublime Degree of Master Mason on 11/16/1955. Flowers were sent to the family, along with our prayers.
