Hell's Kitchen

"Hell's Kitchen" is a jukebox musical featuring the music and lyrics of Alicia Keys. The story, with a book by Kristoffer Diaz, is semi-autobiographic and follows 17-year-old Ali as she navigates life in Manhattan's Hell's Kitchen during the 1990s.

Ali is a spirited girl trying to find her independence and passion while dealing with her overprotective mother, Jersey. The musical explores themes of family, love, and self-discovery, set to the backdrop of Alicia Keys' iconic songs.

"Hell's Kitchen" is a heartfelt and inspiring musical. There were moments that moved me to tears, but overall, I was deeply touched. Vudoo to Alicia Keys. I highly recommend everyone to see this play.

Heartfelt Birthday Cards

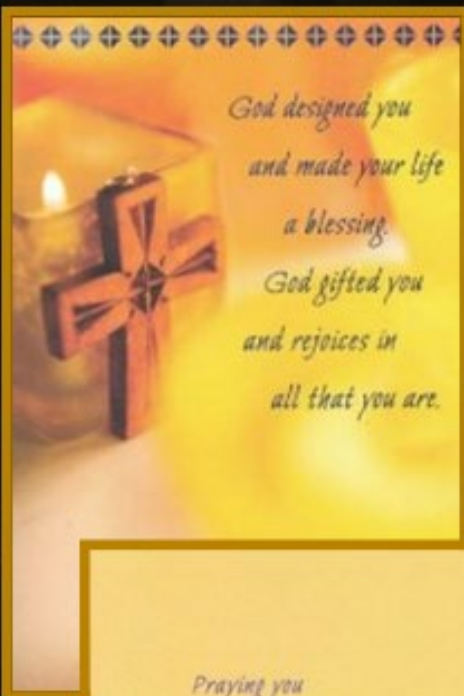

When I think about you,
I think about the ways
you've made our life better
from the very beginning of "us."

I think about everything
we've shared together —
the everyday moments,
the ups and downs,
the milestones,
the laughter and the love.

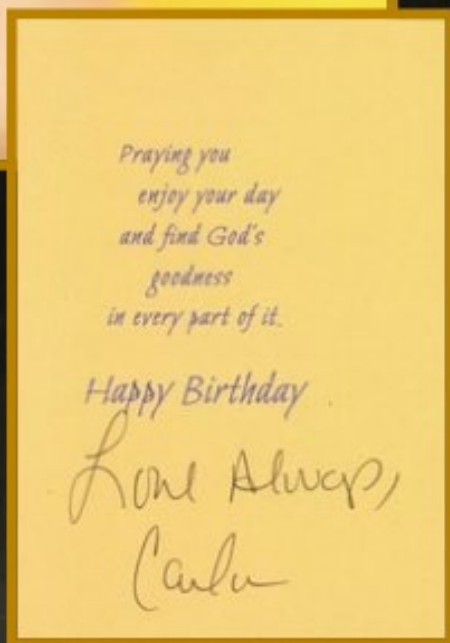

And I think about
how incredibly lucky I am
to be spending this life with you —
my closest friend,
my amazing wife,
and the woman
I'll always love.

Happy Birthday

TEXT MESSAGES

What would we do without TEXT messages?

Text messages are a fantastic way to stay connected with friends, family, and colleagues.

My brother, Pete, sent a Facebook link of Fantasia singing "Happy Birthday."

Have you heard of Sunnie?

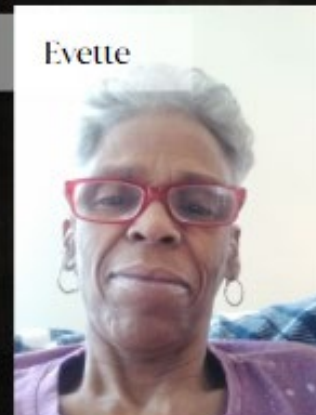

My go-to spot for brunch is Denny's Restaurant in College Park, MD, where I get the unique experience of having my meal served by SUNNIE, a ROBOT! On January 24, my best friend of over 50 years, Wanda Moore, treated me to brunch. We were also joined by Evette Watson, Wanda's sister-in-law.

Sunnie serenaded me with "Happy Birthday."

Lunch at Copper Canyon

Every year, my dear friend of over 50 years, Martha White, and I celebrate our birthdays at Copper Canyon Grill in Glenarden, MD. We share the same age, with our birthdays are three days apart. I absolutely adore Copper Canyon's meatloaf entrée and cornbread. Their bread pudding dessert is unmatched!

Nordstrom

This flagship store, situated right on Broadway, featured an extensive collection of fashionable clothing, shoes, beauty products, and home goods. Nordstrom also provides services like hair care, nail and brow treatments, and wellness services. The store was enormous! As we entered, we were greeted by "HELLO NEW YORK" prominently displayed on a large wall. The displays were truly breathtaking.

Beautiful Train Station!

Moynihan Train Hall is a stunning new addition to New York City's transit infrastructure. Located in the historic James A. Farley Building, which was once the city's main post office, it serves as a grand gateway for Amtrak and Long Island Rail Road passengers.

The hall features a magnificent, vaulted sky-lit concourse, world-class transit amenities, and public art by renowned artists like Kehinde Wiley and Elmgreen & Dragset.

It's designed to alleviate congestion at Penn Station and offers a modern, spacious environment for travelers.

The train was scheduled to depart at 1:49 PM.

Looking forward to visiting New York in the near future.

Thanks for
sharing my
birthday with me.
