GLUTEN FRIENDLY

VEGETARIAN

VEGAN

Applicable taxes extra. Casey's fry in trans-fat free oil. Some items may contain or have come in contact with nuts. Please ask your server. Dishes containing fish or rotisserie chicken may contain small bones. While we strive to ensure no bones are present, we cannot 100% guarantee that all bones have been removed. Gluten friendly options available for substitution, ask your server. Our gluten friendly options are prepared with gluten free ingredients. When a guest orders a gluten friendly menu item, we clean and sanitize the work and cooking surfaces, utensils, cutlery, platters, dishes, cutting boards and equipment that will come in contact with the food being prepared for the gluten friendly offering. As is the case in all non-dedicated kitchens, even though we follow these procedures for handling and preparation there is the possibility of cross contamination occurring during preparation. Therefore, we cannot guarantee that a menu item is gluten/allergen free because of the number of contaminates and constraints we face in our kitchen.
