

SURGING INTO DETROIT JULY 31ST

SURGE

DETROIT RIVER

You're invited to join us for a first-of-its-kind event!

Michigan's boating, government, and educational partners have collaborated to boost diversity in the marine industry. This unique event aims to provide students with an exciting boating experience and introduce them to career opportunities across four marine sectors, offering a range of hands-on activities.

Marine Exploration Sectors

Engines and Propulsion

Boating Experience and Safety

Marine Systems and Electronics

Manufacturing and Boat Building

Registration is limited to 300 participants ranging from 9th grade to age 24. This event is completely free, however registration is required. Scan the code to sign up today!
