Policy Statement

Leave of Absence Policy

Introduction

The Governing Body of Sir James Knott Nursery School recognise that there are many reasons why employees might require leave of absence away from work to ensure an appropriate work-life balance.

This policy has therefore been produced to accompany our work life balance policy statement and associated documentation and reaffirm our commitment of "...supporting, encouraging and enabling all employees to maintain a healthy balance between their work and other interests and responsibilities in their life."

The timing and amount of leave required or wanted will vary with the event, the employee's personal circumstances and the degree of flexibility the employee already has in their current working arrangements.

It may well be that the options available within this policy may not be appropriate and in such circumstances employees, as part of our commitment to work life balance, are directed to alternative school based policies such as:

- Flexible working policy & procedure
- Procedures relating to maternity/paternity and adoption leave
- Procedure for applying for a career break
- Procedures for implementing rarely cover and other statutory regulations relating to workload levels of employees within school.

Scope

This policy has been developed for employees of the school who, in accordance with the Employment Rights Act 1996 and the Employment Act 2002, work under a contract of employment.

The following options relating to leave of absence have been determined by the Governing Body, taking account of statutory entitlements, national terms and conditions of employment, as well as local agreements made from time to time with recognised trade union/professional associations.

Where leave is at the discretion of the Governing Body we have determined that this is delegated to the Headteacher to implement, as set out in the accompanying procedure, as part of their day-to-day management responsibilities of the school. Where a decision is reached in such circumstances the applicant does not have a right of appeal against the decision reached.

Any decisions made will be in line with our commitment to work life balance and taken without regard to a person's race, age, disability, gender, sexual orientation, religion, belief or position within the school. This will be assured through adherence to the Equality Impact Assessment accompanying this policy and via an annual report to Governors assessing the impact of this policy upon employees.

Making / recording requests

Requests for time off should be made initially to the Headteacher on the generic leave of absence request form enclosed at Appendix 1, unless otherwise stated in this document. Where this is the case reference will be made to the relevant procedure for requesting such leave of absence.

It is the responsibility of the Headteacher to record all requests for leave of absence under this policy to ensure consistency of approach and ensure data is available for an annual report to governors on the effectiveness of the policy.

Where there is a limitation on the amount of paid/unpaid leave stipulated in the enclosed school policy this will be per annual leave year.

Application of Policy

Reason for leave of absence	Leave of absence guidance (statutory/contractual/collective agreement)	Governing Body Leave of absence policy
<p>Absence due to adverse conditions (e.g. severe weather/ Foot and Mouth disease)</p>	<p>The LA has facilitated the production of a protocol for schools dealing with adverse conditions and is therefore recommended good practice. This protocol states that in such circumstances unauthorised leave of absence will be without pay.</p>	<p>The Governing Body expect employees to make every attempt to get to their place of work. Where it proves impossible for an employee to do so, the Governing Body have agreed to follow guidance contained within our emergency school closure protocol.</p> <p>Where feasible, employees will be allowed to utilise remaining annual leave, flexi time and banked time or where they are agreeable and in the interests of the school, to make time up at a later date. However, where these options are unavailable leave will be classed as unauthorised and will be without pay.</p>
<p>Adoption Leave</p>	<p>Adoption leave is governed by statute and, where more advantageous, nationally negotiated terms/conditions for both teachers & support staff.</p>	<p>The Governing Body has approved a separate adoption leave pack for school employees who may be considering adoption leave.</p> <p>Reasonable paid time off will also be provided for pre placement appointments relating to adoption as per the pack.</p> <p>Any application for adoption leave should be made in writing to the Headteacher outlining the information specified on the appropriate application form contained within the adoption leave pack. A copy of the pack can be requested from the school office.</p>
<p>Antenatal Care</p>	<p>There is a statutory entitlement for all pregnant employees to reasonable time off for antenatal care, as recommended by the individual's midwife or medical practitioner.</p>	<p>The Governing Body expects employees to arrange classes or examinations outside of school hours, though recognises that sometimes this may not be possible. Where this is the case reasonable paid time off will be provided.</p>

	<p>All time off for antenatal care must be paid at the employee's normal rate of pay. These rights apply regardless of the employee's length of service.</p> <p>From October 2014 employees who are in a qualifying relationship (husband, civil partner, partner) or parent of the expected child will have an entitlement to time off unpaid for attending up to 2 antenatal appointments.</p>	<p>Where an employee is in a qualifying relationship the Governing Body have agreed to paid time off for up to 2 antenatal appointments.</p> <p>In all cases the Governing Body will require employees to present confirmation to the appointment to the Headteacher as evidence in advance of time off for antenatal care.</p> <p>Governors have approved further information relating to antenatal care within our approved Maternity Packs for teaching and Support Staff, copies of which can be obtained from the school office</p>
<p>Award Ceremony</p>	<p>There are no statutory/contractual entitlements relating to attendance at Award ceremonies.</p> <p>Current advice from HR is that reasonable time off should be granted, where linked to role, up to an agreed limit e.g. up to 2 days.</p>	<p>The Governing Body have agreed that when attending a ceremony to receive a degree, an honour, or decoration that is related to their role within school, a reasonable amount of paid time off up to 2 days should be granted.</p> <p>Where the award ceremony is not linked to work role the Governing Body has determined that leave up to 2 days will be paid.</p>
<p>Bereavement</p>	<p>Following the death of a close dependent e.g. spouse, child, parent or partner, leave of absence will be granted for employees.</p> <p>Current HR advice is allow for a maximum of up to three days leave with pay being granted at any one time to an employee, but this may be extended in exceptional circumstances.</p>	<p>(a) The Governing Body have agreed that a maximum of up to three days leave be granted with pay following the death of a close dependent.</p> <p>Where the individual has the responsibility for making the funeral arrangements (or other such responsibilities), additional leave of up to two days leave may be granted.</p> <p>Upon return employees must complete the generic leave form enclosed at Appendix 1</p> <p>(b) Leave to attend a funeral ceremony may be</p>

		<p>granted following the death of a close friend or other relative. The Governing Body has determined that this leave, where granted, will be paid. Other funeral arrangements should be taken from annual leave.</p> <p>(c)</p>
<p>Campaigning as an Official Candidate at a General/European/Local Election</p>	<p>Although there is no formal agreement some public sector organisations have policies indicating that prospective candidates could take annual or unpaid leave to campaign.</p> <p>Current HR advice to schools has stipulated that Governors should allow employees the time to work on elections, without the requirement to take flexi-time or annual leave.</p>	<p>The Governing Body have determined that a maximum of 2 days unpaid leave will be granted where an employee becomes an official candidate at a General/European/Local election.</p>
<p>Cancer Screening</p>	<p>Reasonable time off with pay will be granted to employees when attending screening.</p>	<p>The Governing Body has agreed to reasonable time off with pay to employees when attending screening. However, employees may be requested to produce evidence of their appointment in advance of leave being granted. Where this policy has been adopted, consistency must be ensured amongst all employees.</p>
<p>Career Break</p>	<p>There are no statutory/contractual entitlements relating to requests for career breaks.</p> <p>HR advice is to consider requests for career breaks on an unpaid basis. The measures attached have been suggested to assist the school in managing career breaks where approved.</p> <p>Governors should consider the minimum and maximum periods of leave they will be prepared to consider, for example between</p>	<p>Any application or request should be made in writing to the Headteacher.</p>

	3 months to 2 years.	
Crisis Leave	<p>Crisis leave is intended to give employees time off at short notice for a range of unexpected events which may include;</p> <ul style="list-style-type: none"> • Car accident • Domestic emergencies • Personal relationship breakdown <p>Existing advice to schools is that, in the first instance, the individual must verbally contact their line manager to inform them of the nature of the emergency and the need for them to take time off. Upon their return to work the individual must submit an application form for authorisation and inclusion as part of the school's recording of leave granted under this policy.</p> <p>An individual may be granted up to 3 days leave. An extension of up to a further two days' leave of absence may be granted depending upon the severity of circumstances. Each case should be dealt with on its own merits.</p>	<p>The Governing Body have determined that up to 3 days paid crisis leave will be granted in any leave year. Use of alternatives such as flexi/lieu/annual leave must be considered, if time off beyond an initial 3 days is required, prior to consideration of extending crisis leave. Such additional leave will be up unpaid.</p> <p>Upon return employees must complete the generic leave form enclosed at Appendix 1</p>
Driving Tests	<p>There are no statutory/contractual entitlements relating to paid time off for driving tests.</p>	<p>The Governing Body have agreed that where no possible alternative is available, sufficient leave out of school may be granted to take the driving test.</p> <p>The Governing Body have determined that this leave will be unpaid.</p> <p>Where there is a requirement of an employee to obtain a licence as part of a current or intended role within school then paid time off will be granted.</p>

	<p>provide for reasonable release for teachers from directed time to undertake such activities as external moderator/examiner/reviewer or as an examination board member. This role may be fee based or representative based.</p>	<p>should be granted as necessary but is conditional on the staffing needs of the school at that time. The Governing Body have determined that leave taken during directed time will be Paid.</p> <p>Where the role is fee based there will be a requirement to arrange for the school to be compensated for the release of the employee.</p>
<p>Examination Leave (see leave for Training)</p>	<p>Terms/Conditions of employment for teaching and support staff allow for leave of absence to be granted to individuals for the purpose of sitting for examinations applicable to the needs of the school.</p> <p>In addition, leave of absence should be granted for the purpose of final revision in the period preceding the examination according to the circumstances of each case.</p>	<p>The Governing Body have agreed that reasonable paid leave of absence should be granted to employees undertaking final revision and sitting for nationally recognised examinations applicable to the needs of the school. This will consist of ½ day blocks of time for both revision leave and exam leave.</p> <p>The Governing Body have determined that for examinations not applicable to the needs of the school unpaid leave will be granted, consisting of ½ day leave for each ½ day examination.</p>
<p>Holiday outside the Normal or Fixed Leave Period</p>	<p>Current contractual arrangements for school based employees are as follows:</p> <p>Individuals employed on Term Time Only terms have no further entitlement to leave other than periods of school closure.</p> <p>Individuals employed on 52/52 terms are directed to take their annual leave entitlement during periods of school closure.</p>	<p>The Governing Body wish to remind employees that they expect them to arrange their holidays within their terms/conditions of employment. We have therefore determined that the granting of leave outside of these circumstances will only be granted in exceptional circumstances and where suitable cover can be accommodated. Such leave will be unpaid.</p>

We would therefore encourage employees to request to undertake any training they think will improve both their and the school performance.</p> <p>Requests should normally be made as part of the schools staff appraisal arrangements, but where this is not appropriate employees should consult the Headteacher for an initial discussion.</p> <p>Reasonable time off for training will be granted on a case by case basis. <p>Voluntary Reserve Forces</p>	<p>If mobilisation should occur, an employee, who is a Reservist, may be called into full time service with the Regular Forces in order to make them available for military operations.</p>	<p>The Governing Body have determined that in the case of compulsory mobilisation, the employee must present the documentation provided to them by the Ministry of Defence, to the Headteacher. The Headteacher should then make contact with the School Link HR Business</p>

It is advised that the Reservist is permitted leave of absence and, on their return, they are reinstated to their former post or offered a suitable, alternative post.

Appendix 4: Parental Leave Guidance & Application Form

Parental leave is unpaid. Eligible employees can take this unpaid leave to spend more time with their children.

You're entitled to 18 weeks' leave for each child and adopted child, up to their 18th birthday.

- The limit on how much parental leave each parent can take in a year is 4 weeks for each child.
- You must take parental leave as whole weeks (eg 1 week or 2 weeks) rather than individual days, unless your child is disabled.
- You don't have to take all the leave at once.
- A 'week' equals the length of time an employee normally works over 7 days.

Employees qualify if all of these apply:

- they've been with the employer for more than a year
- they're named on the child's birth or adoption certificate
- they have or expect to have parental responsibility
- they're not self-employed or a 'worker', eg an agency worker or contractor
- they're not a foster parent (unless they've secured parental responsibility through the courts)
- the child is under 18

An employee is required to provide at least 21 days notice of the dates on which they wish their leave to start and end. Notice should be at least twice that of the intended amount of leave to be taken e.g. eight weeks notice for four weeks leave.

Employers can ask for proof (like a birth certificate).

Please note that if a period of parental leave is taken following maternity/adoption leave, this does not count towards the required return to work.

You should speak to the Headteacher regarding making an application for parental leave, and use the application form.

Leave can't be postponed (delayed) if:

- the employer doesn't have a 'significant reason', eg it would cause serious disruption to the business
- it's being taken immediately after the birth or adoption of a child
- it means an employee would no longer qualify for parental leave, eg postponing it until after the child's 18th birthday

If it's postponed, the employer:

- must write explaining why within 7 days of the original request
- suggest a new start date - this must be within 6 months of the requested start date
- can't change the amount of leave being requested
