

# Sir James Knott Nursery School

## School Development Plan 2017/18

Maximise opportunities, particularly in the outdoors, to further develop children's experiences in relation to Understanding the World and Expressive Arts and Design.

To embed Sustained Shared Thinking and Emotional Well-being (SSTEWE) to ensure that pupil led enquiry based learning takes place between home and school.

To raise standards through effective involvement of the Governing Body within all aspect of Nursery School life.

*"Creating strong and lasting foundations for learning"*

To continue to maintain and improve the highest levels of outcomes for all pupils and ensure teaching and learning is inspirational, of high quality and is responsive to children's needs, ensuring all children progress well from their starting points and achieve at least good if not better progress.

To continue to provide a clear direction for this unique Nursery School and ensure that it is financially sustainable; constantly improving and moving forward.
