

**Interim Safeguarding Arrangements for Sir James Knott Nursery School
April 2020**

COVID-19 School Closure Arrangements For Safeguarding and Child Protection

School Name:	Sir James Knott Nursery School
Policy Owner:	John Croft- Headteacher
Date:	April 2020
Date shared with Staff and Governors:	2nd April 2020

Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Sir James Knott Nursery School Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements and should be read alongside our safeguarding summary documentation also.

Key contacts

Role	Name	Contact number/email
Designated Safeguarding Lead	John Croft (Headteacher)	07584305212 john.croft@sirjamesknottnursery.org.uk

Chair of Governors	Linsey Garr	07525269516 lgarr@west-boldon.co.uk

Main Policy - Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputies) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Sir James Knott Nursery School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: John Croft; Headteacher (DSL).

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and the school will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, the school or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Sir James Knott Nursery School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

If Sir James Knott nursery School has any children in attendance (e.g. because they are vulnerable or their parent(s) / carers are critical workers) we will submit the daily attendance sheet to the DfE by 12 noon –

<https://www.gov.uk/government/publications/coronavirus-covid-19-attendance-recording-for-educational-settings>

If the school has closed, we will complete the return once as requested by the DfE.

The school and social workers will agree with parents/carers whether children in need should be attending school – the school will then follow up on any pupil that they were expecting to attend, who does not. School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

The school has adopted a system where a list of vulnerable and critical worker children has been created and a daily log is maintained and sent to Julie Firth Assistant Director Children’s Service. This log is kept in order to keep a track of children who do not attend school. The teaching and learning team are in direct contact with families via seesaw on a daily basis and are uploading home learning ideas weekly.

To support the above, Sir James Knott Nursery School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, the school will notify their social worker.

Designated Safeguarding Lead

Sir James Knott Nursery School has a Designated Safeguarding Lead (DSL) and Deputy DSL’s. The Designated Safeguarding Lead is: John Croft (Headteacher).

The Deputy Designated Safeguarding Leads are outlined in the table above.

Role	Name	Contact number/email
Deputy Designated Safeguarding Leads	Nicki Battensby	07769315222 nicki.battensby@sirjamesknottnursery.org.uk
	Annalisa Horsborough	07450338395 annalisa.horsborough@sirjamesknottnursery.org.uk
	Hannah Lisle	07984124150 hannah.lisle@sirjamesknottnursery.org.uk

The optimal scenario is to have a trained DSL (or deputy) available on site every day the school is open. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader; Nursery Hub Teacher will assume responsibility for coordinating safeguarding on site.

This might include updating and managing access to child protection online management system and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all school staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them. This is displayed on the weekly rota shared with everyone.

The DSL team will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes talking through the concern with a DSL and making a report via the schools internal reporting system.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should use normal school protocols of reporting to the Headteacher. If there is a requirement to make a notification to the Headteacher whilst away from school, this should be done verbally and followed up with an email to the Headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors: Linsey Garr.

The school will continue normal safeguarding protocols in the process of managing allegations.

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter the school, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

If and when staff are asked to work in other educational settings, Sir James Knott Nursery School should seek assurance from the visitors current employer that appropriate safeguarding training has been undertaken.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Sir James Knott Nursery School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where the school is utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no

circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Sir James Knott Nursery School will continue to follow the legal duty to refer to the DBS of anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Sir James Knott Nursery School will also continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing

Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, the school will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in schools and colleges

Sir James Knott Nursery School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where pupils are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and causes for concern reported to the DSL on duty, in the usual way and recorded using the schools internal reporting system.

Online teaching should follow the same principles as set out in the schools' code of conduct.

Sir James Knott Nursery School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider if, and when, delivering virtual lessons, especially where webcams are involved:

- No 1:1s, groups only

- Staff and children must wear suitable clothing.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and the background should be appropriate.
- The 'live class' should be recorded so that if any issues were to arise, the video can be reviewed.
- Video recordings should be kept to a reasonable length of time.
- Language must be professional and appropriate, no family members to be viewed
- Staff must only use platforms provided by the school to communicate with pupils (seesaw)

Supporting children not in school

Sir James Knott Nursery School is committed to ensuring the safety and wellbeing of all its Children and Young people. Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person. Details of this plan must be recorded using the school internal reporting system, as should a record of contact made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

The Headteacher (DSL) will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least weekly) and where concerns arise, the DSL's will consider any referrals as appropriate.

Sir James Knott Nursery School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at school need to be aware of this in setting expectations of pupils' work where they are at home.

Sir James Knott Nursery School will ensure that where we care for children of critical workers and vulnerable children off site (i.e. whilst at home), we ensure appropriate support is in place for them. This will be bespoke to each child and recorded using our internal reporting system, if needed.

Supporting children in school

Sir James Knott Nursery School is committed to ensuring the safety and wellbeing of all its pupils.

The school will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Sir James Knott Nursery School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

The school will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded using the schools internal reporting system if needed.

Where the school has concerns about the impact of staff absence - such as our Designated Safeguarding Lead or first aiders - we will discuss them immediately with the Local Authority.

Peer on Peer Abuse

Sir James Knott Nursery School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on the schools internal reporting system and appropriate referrals made.

It is crucial that this Interim Safeguarding Annex is reviewed on a regular basis in order to keep up to date with current DfE guidance and is read in conjunction with the schools "Safeguarding summary page - Appendix 1" for day to day protocols.
