

Home Learning Nursery

Spring Term: Week 5 1/2/2021

Home Learning

You can choose how you complete your work. Use an iPad, paper, pens or any other creative ways you can think of. Take a photo and show us through seesaw.

Project Based Question: How could we catch a star?

Driving Text: How to Catch a Star

Area of Learning	Ideas	Resource
Personal, Social & Emotional Development	* Listen to the story How to Catch a Star again, discuss how you would catch a star. Can you carefully design how you would catch a star?	See attached design sheet.
Physical Development	* Can you carefully design a space rocket? Can you build your design? What equipment will you need? What will you use?	
Communication & Language	* Carefully watch your friends performing this half terms Talk for Writing story. Can you try and practice this with your family?	https://www.youtube.com/watch?v=rpyR6hJPxiw See attached video of children performing.
Phonics	* Play the game new words to old songs—Take a song or rhyme that your child knows and invent new words together. Can you then independently change the words? Can you use any musical instruments for your new song?	<p>New words to old songs</p> <p>Take a song or rhyme the children know well and invent new words to suit the purpose and the children's interests. Use percussion instruments to accompany the new lyrics.</p>
Literacy	* Listen to the story How to Catch a Star. Can you draw some pictures of the story in the correct order.	See attached story map sheet.
Mathematics	* Share the Numberblocks Seven and Eight PowerPoint. * Match the Numberblock to the correct amount of picnic food.	See attached PowerPoints and activity sheets.
Understanding the World	* What can you find out about stars? Can you look for a different star each night in the sky?	See attached stars PowerPoint.
Expressive Arts & Design	* Can you carefully create a split pin astronaut? Can you carefully cut out each piece and listen to the instructions?	See attached astronaut.
