

25th April 2022

Dear Parent/Carer,

I am writing to inform you about Operation Encompass. This is a innovative project in which schools in North Tyneside are participating, and which is run in partnership with North Tyneside Council and Northumbria Police.

The project, which commenced in June 2016, aims to support children who are affected by domestic abuse. Witnessing domestic abuse is really distressing for a child or young person, who often see the abuse, hear it from another room, see a parent's injuries or distress afterwards or can be physically hurt trying to stop the abuse.

As a result, following any domestic abuse incident being reported to the police, the Police will make contact with Children's Social Care Front Door service who will then communicate relevant and necessary information to nominated school staff. This will ensure that the school is made aware at the earliest possible opportunity and can subsequently provide support to children in a way that means they feel safe and listened to.

Each school has members of staff (key adults) who have been fully trained in liaising with police and Children's Social Care when required, and will ensure that the necessary support is made available to the child following the disclosure of a domestic abuse incident.

I believe that this project demonstrates our school's commitment to working in partnership to safeguard and protect children, and to providing the best possible care and support for our pupils.

In the meantime, if you would like to speak to someone further about the project or require further information please contact our key adults in school who are **Mr Croft and Mrs Battensby**. You can also find out more information here
