

Number 4

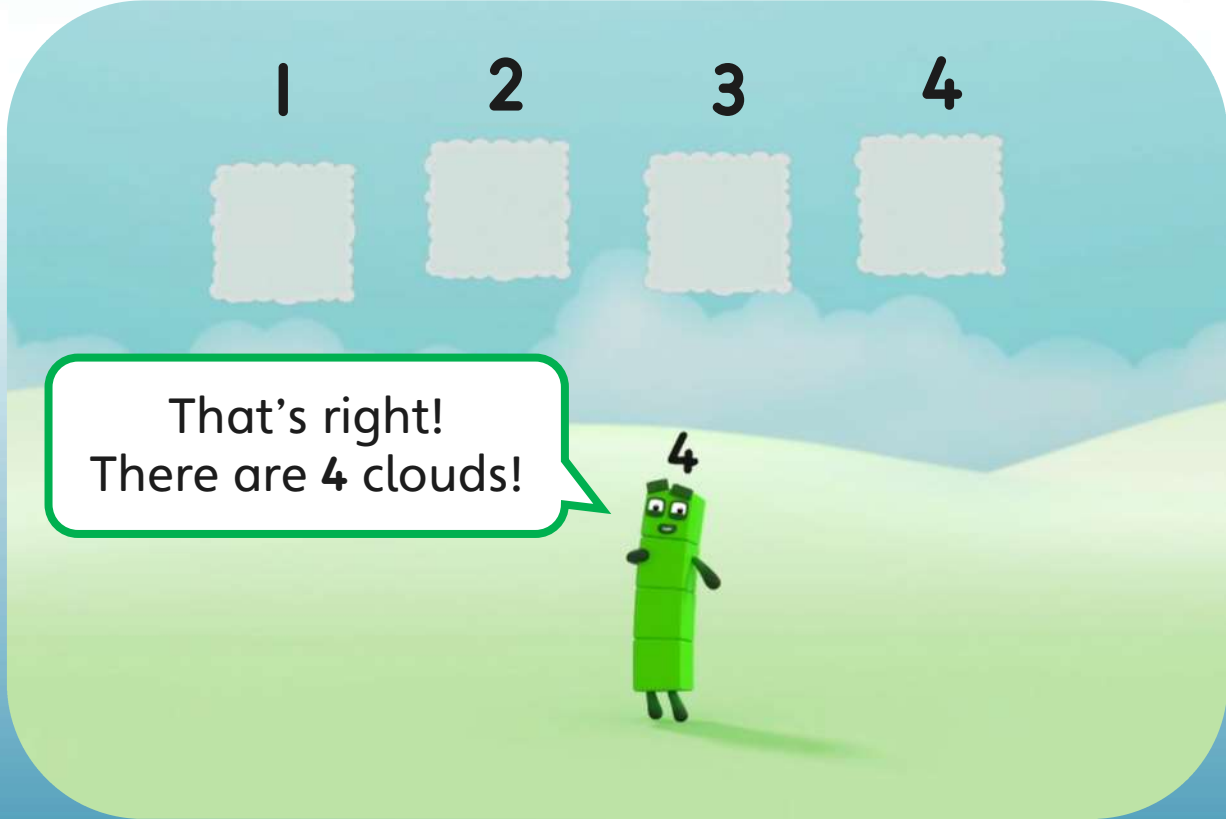

next

I can see...

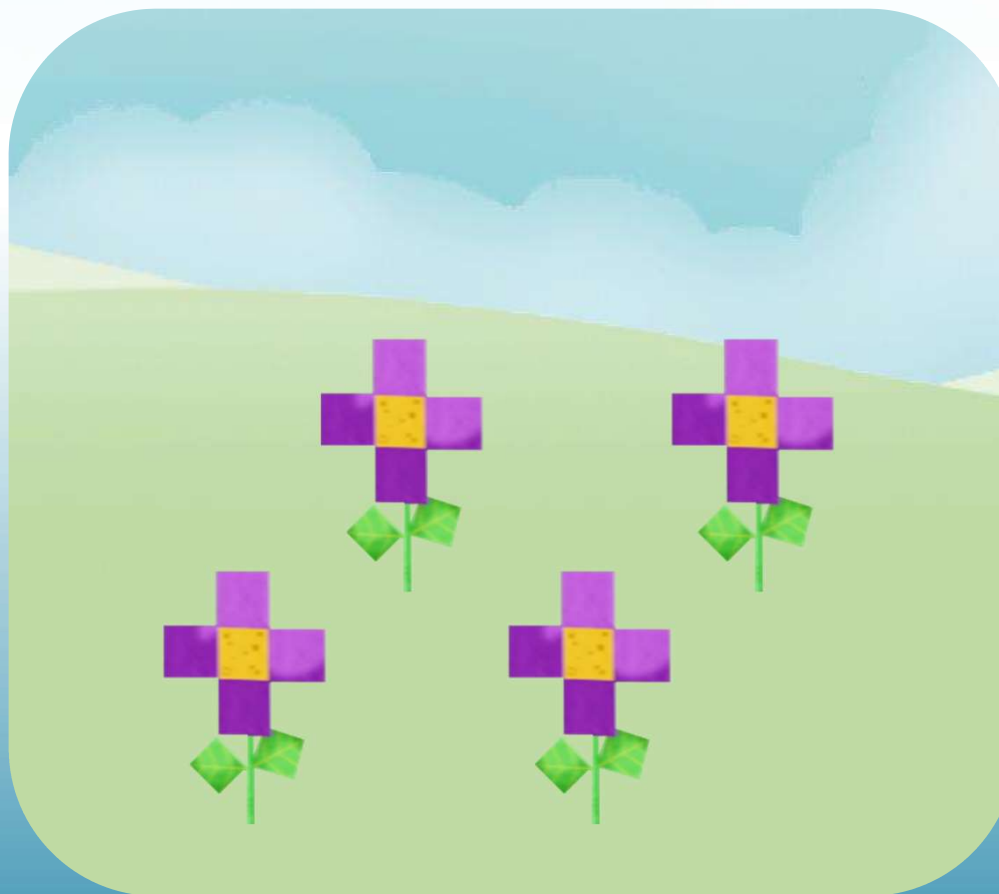

Click me!

That's right!
There are 4 clouds!

next

I think there are 4 flowers. Am I right?
How do you know?

next

Let's check!

Count the flowers with me.

next

Can you show me 4 on your fingers?

next

Did you spot my favourite shape? What shape is it? How many sides does it have?

next

I think there are 3 buns. Am I right? Can you check?

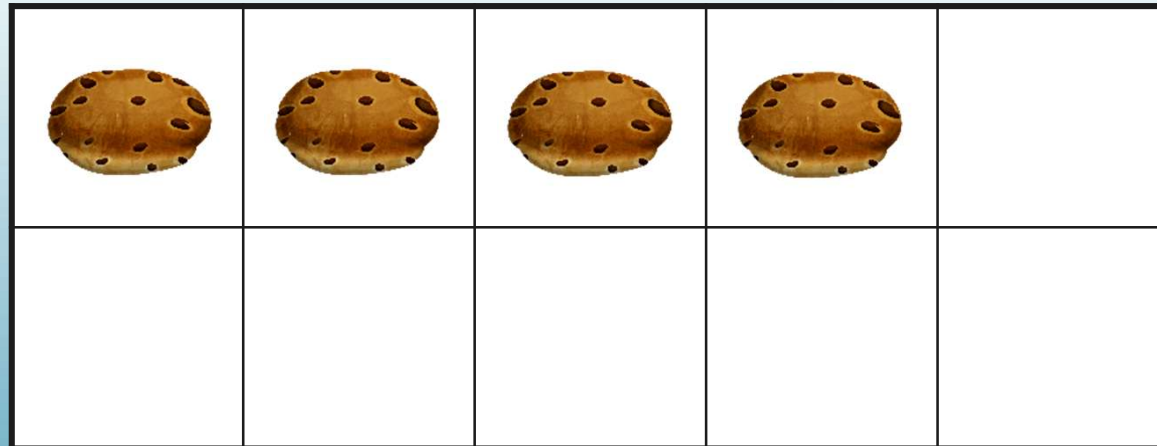

next

Let's check!

Count the buns with me.

next

Tell a friend what you found. Can you count them together to check?

next

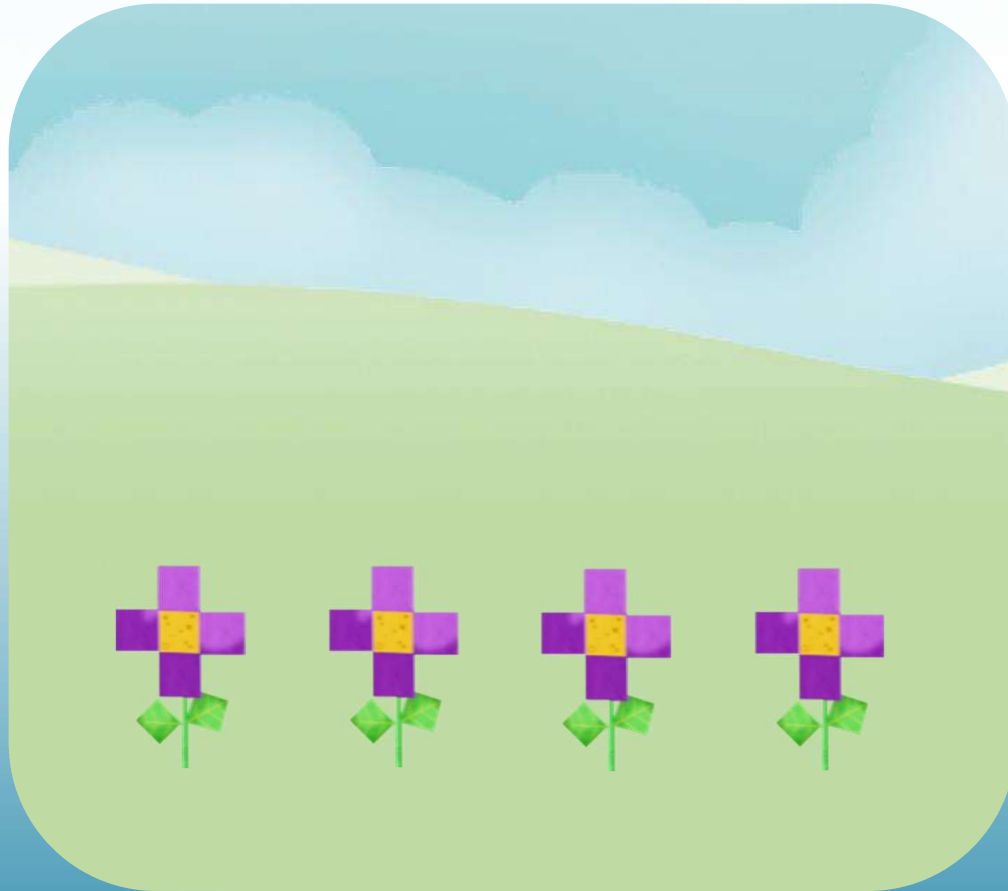

I need 2 more
boats to make 4.

next

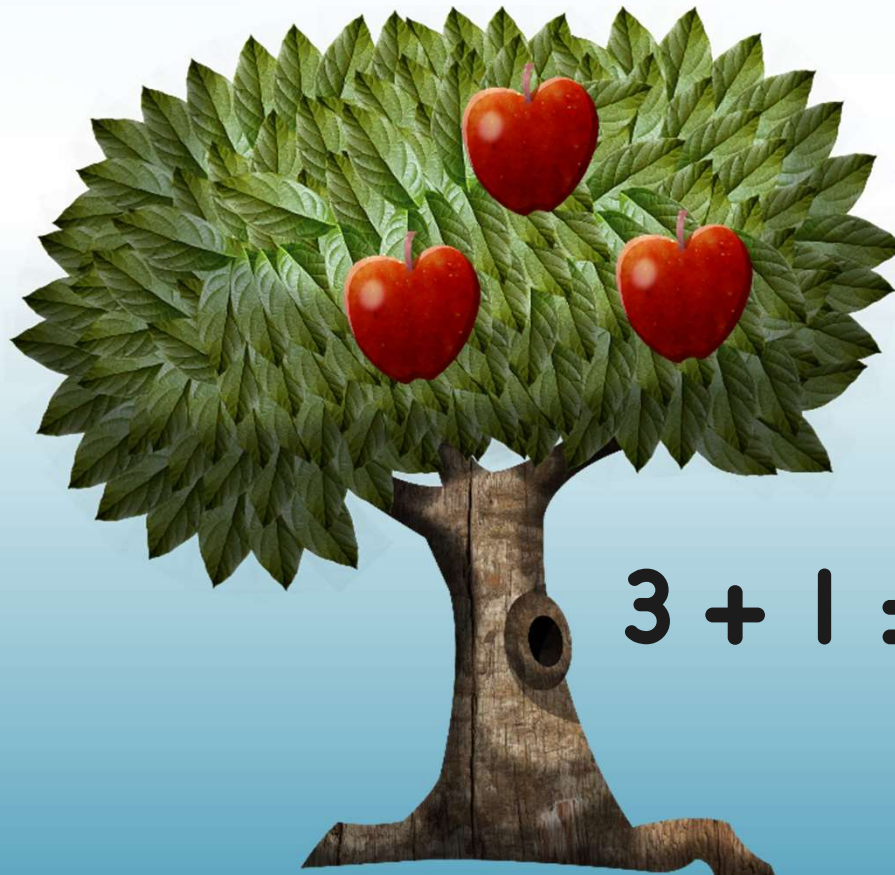

How many flowers do I need?
I need 3 more flowers for the bees to have 1 each.

4

next

I more apple makes 4.

$$3 + 1 = 4$$

next

3 + 1 = 4

3 + 1 = 4

Can you remember the different ways that you saw 4? Say, "I can see..."
