For each governor who has served at any point over the past 12 months, school must publish:

- their full names, date of appointment, term of office, date they stepped down (where applicable), who appointed them (in accordance with the governing body's instrument of government),
- relevant business and pecuniary interests (as recorded in the register of interests) including:
 - governance roles in other educational institutions;
 - any material interests arising from relationships between governors or relationships between governors and school staff (including spouses, partners and close relatives); and
- their attendance record at governing body and committee meetings over the last academic year.
