

## Stewardship Campaign 2025

“Children of God is at the heart of our 2025 Stewardship Campaign. We are all Children of God and he has been with us every step of the way.

Our goal for “estimates of giving” for 2025 is \$280,000, perhaps a lofty goal but a goal that we as a part of God’s church can achieve. Reaching this goal would fund anticipated expenses for 2025 and carry us forward on our mission to “Follow Jesus. Thrive in Communities. Heal the World”.

For those of you that have not had the opportunity to prepare an “estimate of giving” card in the past, we ask that you prayerfully consider doing so for 2025. If situations arise, the estimate can be adjusted at any time. As you plan your estimate, consider the following: give from your heart and always give joyfully! All gifts are equal in God’s eyes.

For those who have faithfully prepared “estimate of giving” cards in the past, we wish to thank you for your continued loving generosity.

The cards will be available starting on Sunday, September 8th at both 8:30 and 10:30 Worship. Cards are also available in the church office. Call Len, 775-782-4600, if you wish to have your card mailed to you. When a completed card is received, the giver’s name (or “Gift to God” if you prefer) will be inserted on a picture of yourself as a child (hopefully in Church attire) and placed on the wall in the Sanctuary. In this way we can watch the progress of the campaign as we affirm that we are “Children of God”.
