

Friends Left Behind Foster Home Agreement

To be considered as a foster family you must be: 18 years of age or older and have identification showing your current address and be willing and able to spend the time and commitment necessary to provide training, medical treatment, and proper care for your new foster pet. Foster caregivers must understand the risks of contagious and communicable conditions. All personal pets must be current on their vaccinations, and you will be encouraged to minimize contact between your existing pets and incoming foster animals for at least two (2) weeks.
