**Mommy and Me:** A 50 minute program for children 15 months to 30 months; provides a unique learning experience for both parent and child. Children begin to develop their basic locomotive skills, strength, flexibility, motor coordination, spatial and body awareness. An important program for all parents concerned with the physical development of their toddler.

**PreTot:** A 50 minute program for 2 1/2 to 3 year olds. This class is designed to begin the separation process in a fun and structured environment - the transition between Mommy and Me and Preschool.

**3 & 4 Year Olds:** A one-hour program designed to increase ability and confidence and to advance skills both physically and socially.

**PRESCHOOL:** An hour long program for ages 4 and 5. The program is designed to increase your child's confidence in and through movement. Each child has the opportunity to develop his strength, flexibility, neuromuscular coordination through the use of elementary activities, spatial exploration and gymnastic skills: all in the warm and supportive atmosphere of our gym.

**GYMNASTICS:** This 1 1/2 hour program is offered to children 5 years and up. It is based upon the philosophy that the progress of each individual is of the utmost importance. Children learn basic through advanced skills.

**NINJA WARRIOR:** Unleash your inner ninja! No mud, no water, just you vs. the obstacles! Have a fun adventure and get an amazing workout at the same time. Make your way through our ninja warrior obstacle course to test your balance, strength, agility, stamina and flexibility on your quest to become the ultimate ninja warrior! This is an hour long class for ages 5 and up.

**TUMBLING:** An hour long program that focuses on basic to advanced tumbling skills needed for cheerleading and dance. Learn aerials, walk-overs, handsprings, tucks & more with qualified instructors in a safe environment.
