Discover hidden gems in India's rising stars: Invest in Unlisted Shares, Startups, Unicorns, & pre-IPO companies.

Investolane is a platform that enables buying and selling of pre-IPO shares and unlisted stocks in India. It connects buyers and sellers of unlisted shares, allowing them to invest and trade in a transparent and secure manner.

Investolane is also an authorized stockbroker for Reliance Securities Limited in Dehradun, UK. It is registered on NSE as an authorized person (AP).

All business deals with Investolane must be finalized & confirmed only on registered call/WhatsApp number [+91 96755 32143] and/or email id [connect@investolane.in]. All business-related payments should only be transferred to the company bank account. Investolane will not process any deals finalized on any other number and/or email id or payments transferred to any other bank account.
