

Sub Type/Location/Legal

Listing Input Form

Start at the Add/Edit tab in Matrix and select a category. Next, choose one of the following:

- Auto Fill from Cross Property
- Fill from Blank
- Auto Fill from Realist

Tax Required for all categories: use "AutoFill from Street Directory" for accurate spelling of Street Name. If your street name does not appear email helpdesk@triadmls.com.

If the property is not in a recorded Subdivision enter "None". If the recorded Subdivision does not appear in the pick list email helpdesk@triadmls.com.

ListHub Syndication Remarks

Remarks entered in this field will be sent to third party portals. Remarks entered here are not subject to Triad MLS rules regarding branding or advertising in a listing, but are subject to all other rules. If no remarks are entered here, data from the regular "Public Remarks" field will automatically be distributed instead. The BIC of each office/firm decides if their agents are to use Syndication Remarks and if so what information is to be entered.

Syndication Remarks (510 max characters)

List/Marketing Date Information

STOP and read all information pertaining to the date you are about to enter.

The list/marketing date should be the last thing entered before submitting the listing.

The date entered into the list/marketing date field must be the date found under the commencement of marketing section of your listing agreement OR when the listing agreement was executed, whichever is later.

For Coming Soon Entry - the list/marketing date field must be the date found under the commencement of marketing section of your listing agreement AND no more than seven (7) days from the current date in the future.

I certify that I checked the commencement date and the execution date on my listing agreement before clicking the submit button. By entering the list/marketing date below, I am certifying that the date entered is the exact date that is on the listing agreement.

List/Marketing Date _____

Remember Rules Section 1.2.0 – Accuracy of Listing Data: Participants and subscribers are required to submit accurate listing data and required to correct any known errors.
